The logo consists of a thick, dark green outline that forms a shape resembling a speech bubble or a rounded triangle pointing downwards. The word "LATEX" is centered within this shape in a bold, dark green, sans-serif font.

LATEX

Our close fit girth, designed for a close and comfortable fit, with a nominal width of 53mm

Durex condoms are lubricated for a smooth experience. Lubricant helps prevent condom breakage.

Provides the same high level of security and protection, but slightly thinner for greater sensitivity

Transparent natural rubber latex with no unpleasant scent. For non-latex condoms Durex offers Real Feel condoms.

FREQUENTLY ASKED QUESTIONS

WHY SHOULD I USE CONDOMS?

Condoms help prevent pregnancy and STI's, allowing you to enjoy fun, pleasurable and safe sex.

DO THINNER CONDOMS BREAK?

All Durex condoms are subject to rigorous testing for your safety and pleasure.

CAN CONDOMS CAUSE AN ALLERGIC REACTION?

Most Durex condoms are made with natural rubber latex which may cause an allergic reaction if you are allergic to latex. Durex offers Real Feel non-latex condoms.

CAN I USE LUBRICANT WITH CONDOMS?

Durex condoms are already lubricated, but you can add lubricant for a smoother experience.*
