DOT20M5706

✓ Suitable for everyday use.

- ✓ Twist nozzle to align arrow on base to symbol
 - GENTLE-MIST – 3 dashed lines
 - POWER-JET™ – 2 straight lines

POWER-JET™ (AGES 6+)
CLEARs TOUGH CONGESTION

Lean over sink and tilt head slightly to the right side. Insert nozzle into opening of left nostril pointing away from the center of the nose. Press on base of nozzle for 3 seconds as needed. Remove. Gently blow nose. May repeat on the opposite side.

GENTLE-MIST™ (AGES 2+)
SOOTHES & CLEARs EVERYDAY CONGESTION

Insert nozzle into opening of nostril. Press down briefly on base of nozzle, using 1-3 short burst of saline mist. Remove. Gently blow nose. Repeat in other nostril.

SALINE NASAL SPRAY
2 IN 1 NOZZLE Technology

Helps clear congestion associated with colds and year-round allergies. Twist the Duo-Nozzle to switch between Power-Jet™, your more powerful spray delivery for tough congestion, and Gentle-Mist™, your everyday spray for dry nose, allergens, & other daily irritants and congestion.

INGREDIENTS
purified water, sodium chloride
