BED FRAME WITH LADDER FOR KIDS, NO BOX
SPRING NEEDED IN NATURAL

SKU:

MG-0900-31-TTB-NAT-GG

UPC:

196861171710

- **CONVERTIBLE DESIGN:** Enjoy space-saving versatility with this twin-over-twin bed with an angled, reversible, five-step ladder; Use as a bunk bed or two twin beds that pair perfectly with nightstands and dressers in our Dallas kids bedroom collection
- **CONVENIENT STRUCTURE:** While 6" mattresses are recommended, each frame is compatible with standard mattresses up to 8" thick; With slatted wooden bases, no box spring is needed; Enjoy 12.75" of underbed storage when stacked or separated
- **SAFETY FIRST:** Wood frame holds 500 lbs. static weight per bed; Headboard and footboard on each, full-size slatted guardrails on top; Anti-tipping mechanism that must be fixed to the wall for safety; Top bunk should not be used by children under six
- **ASSEMBLY AND CARE:** Ships in two boxes, so please confirm both boxes are present before assembly; Step-by-step instructions and tools are included; Maintenance is easy by wiping clean with a damp cloth
- **PRODUCT MEASUREMENTS:** Overall Size: 41"W x 81.25"D x 64"H; 28" Headroom (with 6" Mattress); Top Bed Overall Size (When Separated): 41"W x 81.25"D x 28.5"H; Top Bed Underbed Clearance (When Separated): 12.75"; Bottom Bed Overall Size (When Separated): 41"W x 81.25"D x 32"H; Bottom Bed Underbed Clearance: 13.75"
