## TACTICAL HAND PROTECTION

The M-Pact<sup>®</sup> Wolf Grey provides law enforcement and special forces with tactical hand protection fit for urban environments. Impact-absorbing thermoplastic rubber (TPR) delivers flexible protection in the field against impact injuries and skin abrasions. Our patented Impact Guard<sup>™</sup> frees the index finger for smooth trigger guard entry and mobility during hard-charging operations. The dual-layer internal fingertip construction reinforces your thumb and index finger to provide improved abrasion resistance. D30<sup>®</sup> palm padding reacts on impact when you're fully engaged so you can maintain your focus.

### KNUCKLE GUARD

Impact Guard<sup>™</sup> frees the index finger and molded thermoplastic rubber (TPR) disperses impact and skin abrasions.

### REINFORCED FINGERTIPS

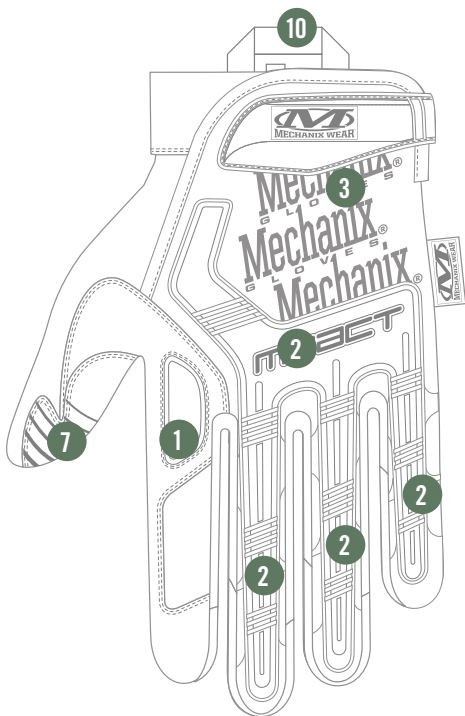

Dual-layer internal fingertip construction reinforces the index finger and thumb.
