

# COVERT M-PACT<sup>®</sup>

## IMPACT RESISTANT HAND PROTECTION

Law enforcement and service members trust their hands with the M-Pact<sup>®</sup> and its ability to protect in the field. Impact-absorbing Thermal Plastic Rubber (TPR) is sonic welded to the glove and delivers flexible protection against common impact injuries and skin abrasions. The uniquely designed Impact Guard<sup>™</sup> frees your index finger for smooth trigger guard entry and mobility. The dual-layer internal fingertip construction reinforces the thumb and index finger for improved abrasion resistance, while the embossed fingertip pattern improves feel and overall dexterity. D30<sup>®</sup> palm padding reacts on impact when you're fully engaged so you can maintain your focus.

### IMPACT PROTECTION

Impact Guard<sup>™</sup> frees the index finger and molded Thermal Plastic Rubber (TPR) disperses impact and skin abrasions.

### REINFORCED FINGERTIPS

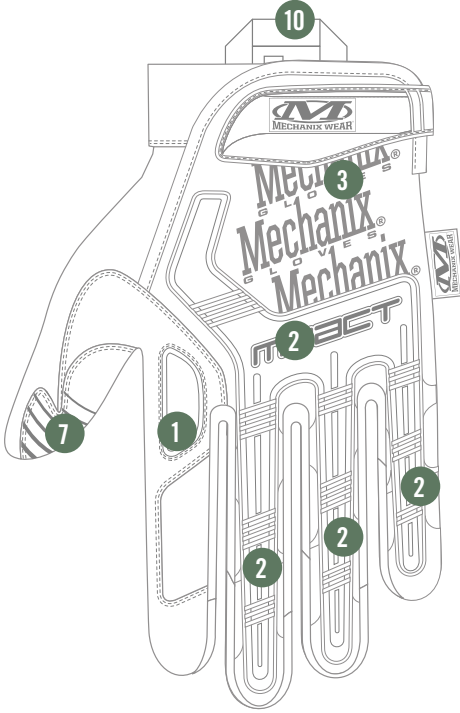

Dual-layer internal fingertip construction reinforces the index finger and thumb.
