

HI-VIZ

# M-PACT<sup>®</sup> XD

D30<sup>®</sup>  
.....

## HIGH-VISIBILITY IMPACT PROTECTION

The Hi-Viz M-Pact<sup>®</sup> XD<sup>™</sup> work glove is built with XD<sup>™</sup> synthetic leather to provide extreme durability for working hands. In low-light environments, ANSI-107 compliant reflective ink and fluorescent materials provide eye-catching luminance on the job. The Hi-Viz M-Pact<sup>®</sup> XD<sup>™</sup> features a secondary internal layer of XD<sup>™</sup> synthetic leather to reinforce your index finger and thumb. Impact-absorbing Thermoplastic Rubber (TPR) extends from your knuckles to your fingertips, delivering critical pinch-point and impact protection. When you're in full swing, D30<sup>®</sup> palm padding reacts on impact to absorb and dissipate energy through the palm of your hand.

### IMPACT PROTECTION

Thermoplastic rubber (TPR) extends from the knuckle guard to the tip of each finger.

### EXTREME DURABILITY

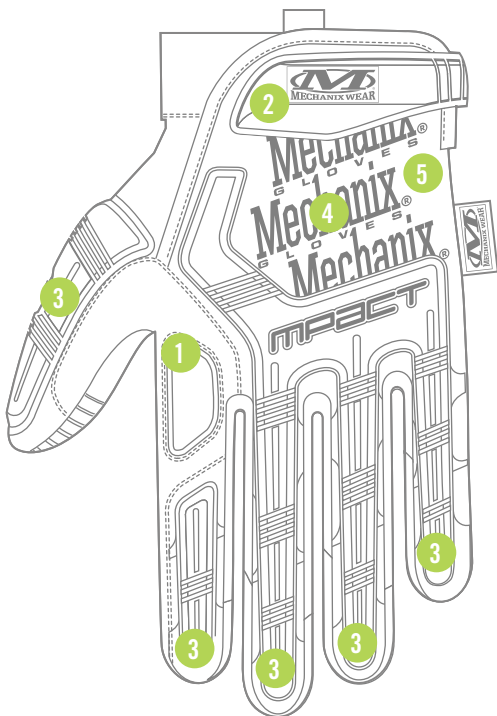

XD<sup>™</sup> synthetic leather provides extreme durability.
