

RATCHET™ LEG LEVELERS NOW AVAILABLE ON 17', 22' AND 26'

1. MULTI-POSITION LADDER

Multi-position ladder easily converts to A-frame, extension, 90-degree, staircase and trestle-and-plank* scaffolding configurations.

2. CAST ALUMINUM ROCK LOCK®

Extra-durable and easy-to-use Rock Lock® adjusters move the inner section of the ladder to the height you need.

3. RATCHET™ LEG LEVELERS

Integrated Ratchet leg levelers adjust independently to meet uneven terrain for a safer, more level climb.

4. AIRCRAFT-GRADE ALUMINUM

Engineered with lightweight and durable aircraft-grade aluminum.

5. WIDER RUNGS, LESS FATIGUE

For extra comfort, the outer rungs are engineered to be wider than standard ladder rungs. Work for extended periods without foot fatigue.

*Plank™ and Trestle Brackets™ not included
