OUTDOOR

GLM400CL

Featuring a color display with large numbers and advanced measuring functions, the GLM400CL delivers accurate measurements that are instantly transferred to smart devices via the free MeasureOn app.

BLUETOOTH® WIRELESS TECHNOLOGY

Connects the laser distance measure to smart phone or tablet, enabling measurements onto images and management of the project using free MeasureOn app

REINFORCED SCREEN GLASS

Provides increased durability and damage resistance

EASY-TO-READ BACKLIT COLOR DISPLAY

Illuminates numbers in dark areas with distinct resolution, allowing work in low-light or no-light conditions

MEMORY STORAGE

Provides storage for up to 600 images

CAMERA

Features an adjustable zoom to locate the laser spot at far distances, even outdoors or in busy backgrounds

SIDE-TRIGGER

Easily capture measurements without changing hand position

INTEGRATED, RECHARGEABLE 3.6V LITHIUM-ION BATTERY

Delivers remarkable runtime for all-day jobs

EASY-TO-USE DISPLAY GUIDE

Walks the user through each measurement process
