

MORE CLEAR ROUNDS PER SCOOP

Compared to the leading competitor.

WHAT'S IN THOSE PELLETS?

FLEX means a more powerful combination of key ingredients for comprehensive joint, cartilage and inflammation care. **MAX** means more nutrients per scoop and better bioavailability so all that good stuff ends up where it's needed and not in your horse's bedding. Plus, there's no loading dose so your horse gets maximum joint health support every day - from the very first scoop.
