

## BELT GRINDERS

Palmgren's belt grinders are ideal power tools for all shops. These versatile machines grind, sand, finish, polish, deburr and contour all types of parts on any type of material. Built with a powerful capacitor motor for all day use.

- Belt is adjustable for use in either the vertical or horizontal position or any position in-between
- Front mounted on/off paddle switch
- Simple belt tensioning and adjustment
- Full belt guard
- 2" Dust collection port
- See page 30 & 31 for optional tool stands
