

NATURAL SKIN ON SKIN FEELING

SKIN-LIKE
FEELING
**MAXIMUM
PROTECTION**

FIND YOUR
BEST FIT

FOR
PLEASURE
LESS
PRESSURE

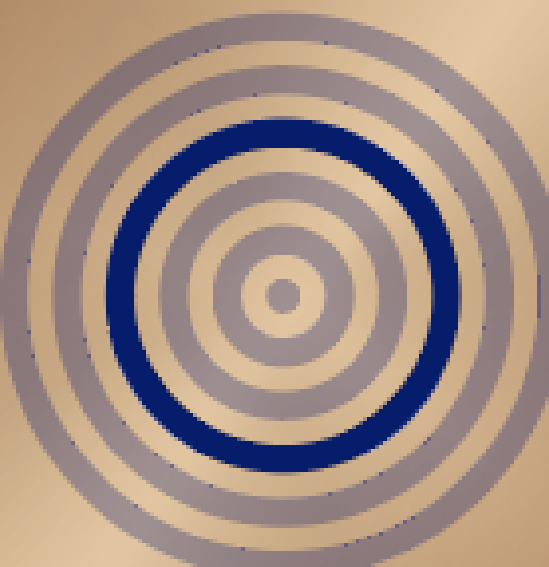

all our condoms face
the same way for
fumble-free usage

Non-latex polyisoprene condoms for men are lubricated and offer a natural skin-on-skin feeling. They are suitable for people who are sensitive to latex condoms. Please read all label details before use.

Everyone is different, but the right fit should always be comfortable and secure. Use the information on the side of the pack to find the best fit for you.

Each Durex Condom is developed with you in mind – lubricated and test-ended for a more comfortable and pleasurable experience. Every single one is packed the right way up for simple, fumble-free usage.

REGULAR FIT

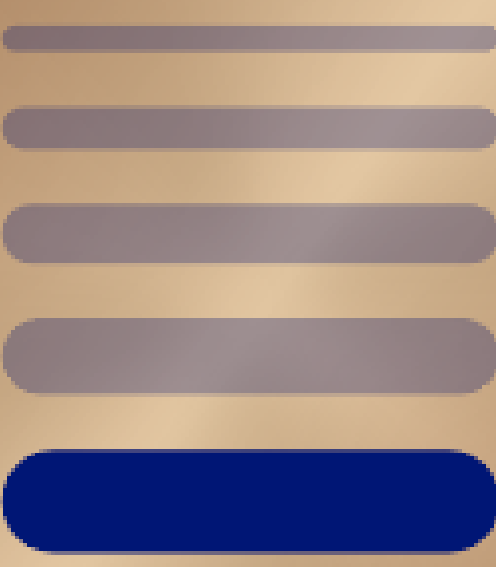

Nominal width
2.2 inches
(56mm)

LUBRICATED

Regular
lubrication

THICK

For maximum
protection &
maximum pleasure

**NON-
LATEX**

Our standard girth, designed for a close and comfortable fit, with a nominal width of 56mm.

Durex condoms are lubricated for a smooth experience. Lubricant helps prevent condom breakage.

Our thick, skin-like material provides maximum protection while giving you that natural skin-on-skin feeling you desire.

These non-latex polyisoprene condoms are perfect for those with latex allergies.

FREQUENTLY ASKED QUESTIONS

WHY SHOULD I USE CONDOMS?

Condoms help prevent pregnancy and STI's, allowing you to enjoy fun, pleasurable and safe sex.

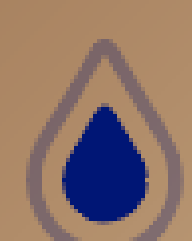

DO THINNER CONDOMS BREAK?

All Durex condoms are subject to rigorous testing for your safety and pleasure.

CAN CONDOMS CAUSE AN ALLERGIC REACTION?

Durex Real Feel condoms are not made from natural rubber latex so they are suitable for people who have an allergy to natural rubber latex proteins.*

CAN I USE LUBRICANT WITH CONDOMS?

Durex condoms are already lubricated, but you can add lubricant for a smoother experience*.
