

2 & 3- STEP STEP STOOL FAMILY OF PROFESSIONAL PLATFORM STEP LADDERS

1. VERSATILE TOP CAP

The Ultra's innovative top cap features accessory slots for existing and future Little Giant accessories (like the Loot Box[™] or Strap Holder[™]), a magnetic tray, a gallon and quart friction-lock system, tool holes, and slots.

2. COMFORTABLE XL STANDING STEP

Extra-wide 3" steps with treads prevent slipping and foot fatigue, and lead to a large standing step. At 169 square inches, the extra large standing step creates a sturdy workspace that fully supports the feet, allowing you to work in comfort for extended periods of time.

3. AIRCRAFT GRADE ALUMINUM

The Ultra is made with durable aircraft-grade aluminum. Paired with the fully enclosed rail design, which puts less strain on the side rail, the Ultra is a longer-lasting and more durable step stool.
