

# MEGALITE™

MULTI-POSITION LADDER | TYPE IA 300 LBS | OSHA + ANSI COMPLIANT

## MULTI-POSITIONAL LADDER FOR ALL YOUR NEEDS

### 1. MULTI-POSITION LADDER

Convert from A-frame to extension, 90-degree or trestle-and-plank scaffolding\* with ease. The ladder's Palm Buttons® allow for adjusting positions that make transitioning from position to position fast and convenient.

\*Plank and Trestle Brackets not included.

### 2. RAPID LOCK®

Easy-to-use Rapid Lock® adjusters allow you to move the outer section of the ladder to the height you need.

### 3. LIGHTWEIGHT

Made from lightweight aluminum, the Megalite weighs 30.5 lbs., making it easy to transport and move your ladder with ease.

### 4. WIDE-FLARED STABILIZING LEGS

The wide-flared stabilizing legs increase side-tip stability, so you can feel more stable atop the ladder.

### 5. LADDER RACK INCLUDED

Included ladder rack makes mounted wall-storage of the Megalite a breeze.

## PRODUCT DESCRIPTION

Having the right ladder for the job is crucial to your project's success. If you are looking for a versatile ladder that will help you get the job done time after time, the Megalite™ is the ladder for you. The Megalite meets or exceeds all OSHA and ANSI standards, and is available in ANSI IA rating. The IA ladder will hold up to 300 lbs., and in A-frame, will hold up to 300 lbs. on both sides.

## LIMITED LIFETIME WARRANTY
