

OPEN CUFF
M-PACT[®]

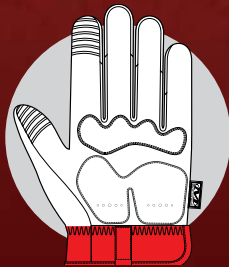

IMPACT RESISTANT HAND PROTECTION

Easy on. Easy off. The M-Pact[®] Open Cuff work glove provides full-coverage hand protection with a comfortable stretch elastic wrist closure. Anatomically shaped thermoplastic rubber (TPR) impact protection conforms to the back of your hand to reduce the risk of blunt force impact and pinching injuries while you work. For comfort, we encased D30[®] palm padding to absorb impact through the hand and reduce fatigue as the day goes on.

IMPACT PROTECTION

Anatomically shaped TPR reduces the risk of impact and pinching injuries.

OPEN CUFF

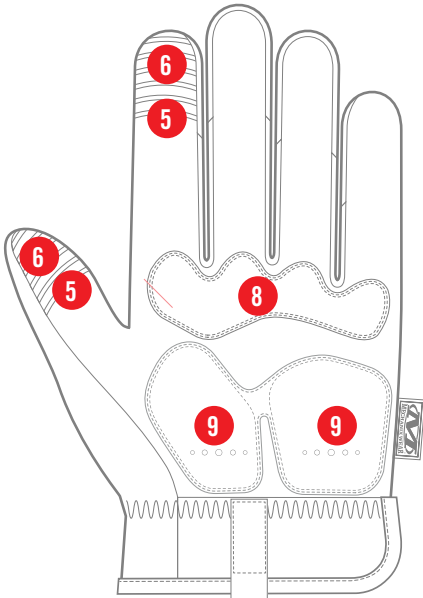

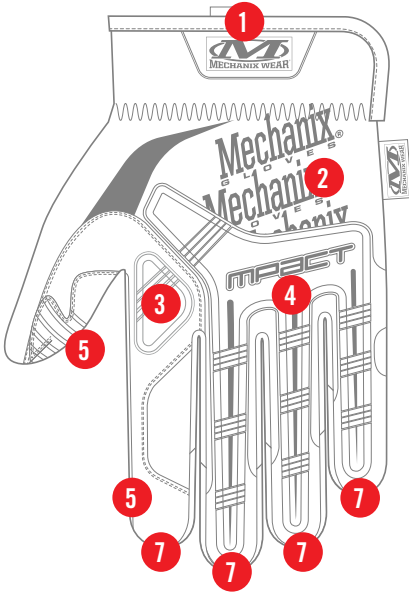

Comfortable stretch elastic closure provides a seamless fit to the wrist.
