## Silver Honey® Vet Strength Scratches Spray

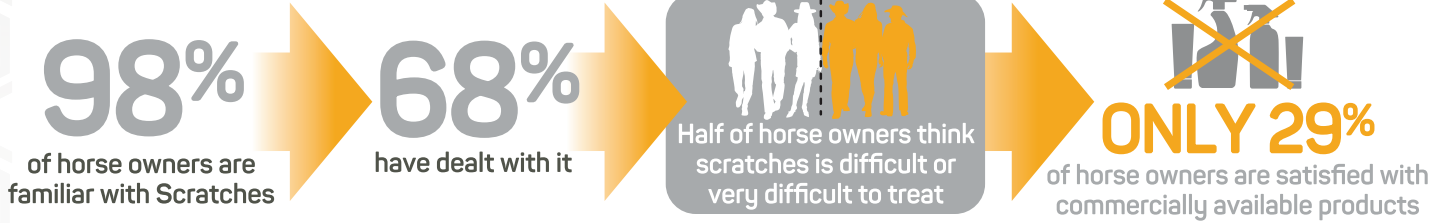

Delivers rapid healing and soothing relief with mother nature's most powerful antimicrobials and innovative RapidSorb™ Technology designed specifically for pastern dermatitis, more commonly known as scratches.

- + RapidSorb™ Technology microencapsulates key ingredients for faster and deeper absorption
- + Proven to stop 99.9% of bacteria immediately
- + Long lasting antimicrobial and antifungal activity
- + Specialized blend of oregano, lavender, rosemary and tea tree oils deliver immediate, soothing relief to irritated skin
- + Encourages natural debridement to help accelerate healing
- + Antibiotic free

Scratches infection results in formation of thickened skin and scabs which makes treatment challenging. **RapidSorb™ Technology** microencapsulates key ingredients to ensure faster and deeper absorption delivering the antimicrobial and antifungal benefit where it's needed to be effective.
