# Research Proven, Customer Preferred

The only grooming aid proven to reduce hair breakage by 40%

ABSORBINE® RESEARCH & DEVELOPMENT

## ShowSheen® Original Hair Polish & Detangler Proven to Reduce Hair Breakage by 40%

In laboratory research conducted in April 2018, three tests were performed by an independent third-party research team to conclusively determine the beneficial effects of ShowSheen Original Hair Polish and Detangler on horse hair. Hair treated with the grooming aid **showed 40% less breakage when repeatedly combed compared to untreated hair. Additionally, ShowSheen® proved to make detangling easier, smooth hair, and help hair resist damage due to brushing.**

# ShowSheen® Original Hair Polish & Detangler

World's #1 Grooming Aid

- Instantly detangles
- The only grooming aid proven to reduce hair breakage by 40%
- Gives manes, tails and coats a healthy, radiant shine
- Formulated by hair care professionals
- ShowSheen is a multi-purpose grooming tool

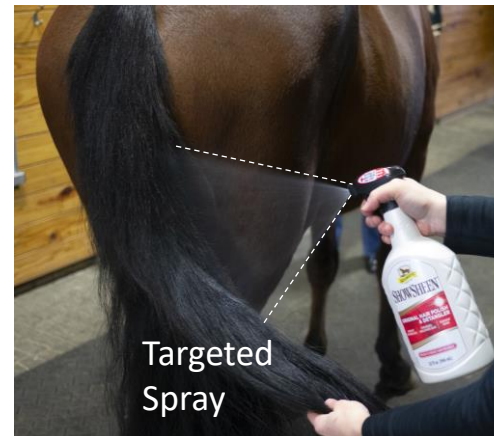

Beyond the show ring:

- Instant detangling (#1 use)
  - Hair Polish
  - Repels dirt and dust to keep horses cleaner longer
  - Makes clipping easier
  - Reduces friction to preserve blades and reduce clipper lines
  - Reduces static
  - Cuts grooming time in half
- Can be used on horses, cattle, dogs, llamas, pigs, camels, goats, alpacas and sheep

- SuperShine Clear can be used as a sealant
- SuperShine Black is primarily used in competition

# Fungasol®

Gentle, effective anti-fungal and anti-bacterial skin treatment

**A great first line of defense even if the exact nature of the skin problem isn't readily apparent.**

- Clean, treat and protect the skin
- Revolutionary Biopolysan® booster, derived from coconuts boosts the effectiveness of the formula
- Includes soothing tea tree oil
- Gentle formula won't sting or stain
- Not Greasy, pleasant scent
- Proven to treat a range of fungal and bacterial skin conditions such as:
  - Rain rot, dry flaky skin, wound bacteria, girth itch, dew poisoning, pastern dermatitis (scratches/greasy heel), and ringworm
- Soothes and helps treat tail itching and rubbing

**Available in:** 20 fl. oz. Shampoo Bottle, 22 fl. oz. Spray Bottle, 13 oz. Ointment Tub

# Fungasol® Treatment System

## 1 WASH AND REMOVE DEBRIS

Start by washing affected areas with Fungasol Shampoo to gently cleanse and remove debris.

## 2 QUICKLY COMBAT BACTERIA

Next, apply Fungasol Spray directly to problem areas to target bacteria and fungus, helping to treat the condition.

## 3 FORM A PROTECTIVE LAYER OF HEALING

Finally, apply a thin layer of Fungasol Ointment to shield and protect sensitive skin from irritation and debris.

# Flys-X<sup>®</sup> Medicated Spray

Multi-species anti-fungal and bacterial skin care

## Multi-species medicated spray ideal for hobby farmers

- Treats a variety of fungal and bacterial conditions
- For use on cattle, horses, dogs, sheep, goats, pigs, and poultry
- Helps treat ringworm, rain rot, dermatitis, and foot rot
- Kills germs on contact
- Stops itch, will not burn or sting
- Guards against infection

Available in:

16 oz. Spray
