

THE
MISSINGLINK®

YOUR PREMIUM CUSTOMERS ARE
LOOKING FOR A NEW KIND OF SUPERHERO.

Give them one in your dental aisle.

7-IN-1
BENEFITS

Smartmouth dental chews are the only veterinarian-developed chews that save dogs' teeth from plaque and tartar AND deliver 7 health benefits in 1 treat.

They go beyond the average dental product to support dental, breath, skin, joints, digestion, heart and immune system.

Available in sizes appropriate for every dog in your customer's family.

For more information, visit missinglinkproducts.com, or email sales@missinglinkproducts.com
