

INTIMATE FEELING OF SKIN ON SKIN CONTACT

ULTRA THIN LATEX CONDOMS
for that intimate feeling of skin on skin contact

FIND YOUR BEST FIT

FOR MORE PLEASURE & LESS PRESSURE
all our condoms face the same way for fumble-free usage

Ultra thin latex condoms that give you the intimate feeling of skin on skin contact. These condoms are thinner than our standard condoms while providing the protection you need.

Everyone is different, but the right fit should always be comfortable and secure. Use the information on the side of the pack to find the best fit for you.

Each Durex Condom is developed with you in mind – lubricated and teat-ended for a more comfortable and pleasurable experience. Every single one is packed the right way up for simple, fumble-free usage.

CLOSE FIT

Nominal width
2.0 inches
(52mm)

LUBRICATED

Regular silicone lube

THIN

For greater sensitivity

LATEX

Our close fit girth, designed for a close and comfortable fit, with a nominal width of 52mm

Durex condoms are lubricated for a smooth experience. Lubricant helps prevent condom breakage.

Provides the same high level of security and protection, but slightly thinner for greater sensitivity

Transparent natural rubber latex with no unpleasant scent. For non-latex condoms Durex offers Real Feel condoms.

FREQUENTLY ASKED QUESTIONS

WHY SHOULD I USE CONDOMS?

Condoms help prevent pregnancy and STI's, allowing you to enjoy fun, pleasurable and safe sex.

DO THINNER CONDOMS BREAK?

All Durex condoms are subject to rigorous testing for your safety and pleasure.

CAN CONDOMS CAUSE AN ALLERGIC REACTION?

Most Durex condoms are made with natural rubber latex which may cause an allergic reaction if you are allergic to latex. Durex offers Real Feel non-latex condoms

CAN I USE LUBRICANT WITH CONDOMS?

Durex condoms are already lubricated, but you can add lubricant for a smoother experience*.
