Durex Invisible Condoms

So thin, they're almost invisible – if you want to enjoy maximum sensitivity safely, these thin condoms are a perfect option.

Find Your Best Fit

Everyone is different, but the right fit should always be comfortable and secure. Use the information on the side of the pack to find the best fit for you.

Easy, Fumble-Free Usage

Each Durex Condom is developed with you in mind – lubricated and teat-ended for a more comfortable and pleasurable experience. Every single one is packed the right way up for simple, fumble-free usage.

GIRTH

NOMINAL WIDTH
2.04 in.

Slightly smaller than our standard girth, designed for a close and comfortable fit, with a nominal width of 52mm

LUBE

Durex condoms are lubricated for a smooth experience. Lubricant helps prevent condom breakage.

THINNESS

So thin, they're almost invisible. Heighten your intimacy with a barely-there feel, with no compromises on protection.

LATEX

Transparent natural rubber latex with no unpleasant scent. For non-latex condoms Durex offers Real Feel condoms.

FREQUENTLY ASKED QUESTIONS

Why should I use condoms?

Condoms help prevent pregnancy and STIs, allowing you to enjoy fun, pleasurable and safe sex.

Do thinner condoms break easily?

All Durex condoms are subject to rigorous testing for your safety and pleasure.

Can condoms cause an allergic reaction?

Most Durex condoms are made with natural rubber latex which may cause an allergic reaction. If you are allergic to latex, Durex offers Real Feel non-latex condoms.*

Can I use lubricant with condoms?

Durex condoms are already lubricated, but you can add lubricant for a smoother experience.*
