# ROLLER CHAIN LUBE

**BUILT FOR MOTION. BACKED BY SCIENCE. TRUSTED IN INDUSTRY.**

## STAYS PUT. POWERS THROUGH.

Chains work hard—and so should your lubricant. WD-40 Specialist® Roller Chain Lube delivers long-lasting lubrication that stays in place, resists fling-off, and fights wear in high-load, high-speed environments. Whether it's exposed to dust, moisture, or heat, this formula protects critical chain components.

### HIGH-LOAD DURABILITY:

Engineered to withstand heavy use and harsh operating conditions.

### ANTI-FLING FORMULA:

Stays where it's applied—even on fast-moving chains.

### WATER-RESISTANT PROTECTION:

Seals out moisture to help prevent rust and corrosion.
