

NEW

The first and only ear care treatment system that treats ear infections with medical grade Manuka Honey and MicroSilver BG®

SILVER HONEY®

RAPID EAR CARE

Works instantly to soothe pain within 30 minutes and treat ear infections in 10 days.

The most powerful over-the-counter remedy to empower pet parents to quickly treat ear infections at home and help them get back to the moments that matter with their pets.

The Silver Honey® Ear Care Vet Strength Treatment includes a 10-day system for one ear, to treat otitis conditions including fungus and yeast while reducing foul ear smell. The set includes ear rinse and concentrated doses with an instructional pamphlet and tracking calendar.

MSRP \$54.00
