

The only equine shampoo and conditioner to
combine natural Manuka Honey and MicroSilver BG®

SILVER HONEY®

RAPID SKIN RELIEF

Silver Honey® Rapid Skin Relief Medicated Shampoo helps skin recover faster thanks to the healing powers of natural Manuka Honey and MicroSilver BG®. Formulated to quickly soothe irritated skin and treat fungal and bacterial skin conditions, this rejuvenating shampoo delivers fast relief that starts working after just one application.

Silver Honey® Soothing Conditioner deeply hydrates and supports skin recovery while delivering antimicrobial protection. This rich, fragrance-free formula can be rinsed out or left in to nourish skin and provide the coat, mane, and tail with a soft, radiant shine.

Quickly treats fungal and bacterial skin conditions like rain rot, scratches, ringworm, dermatitis, flaking, scaling and other skin conditions

- + Hydrating relief for itchy irritated skin
- + Shampoo can be used as a wash for cuts and wounds
- + MicroSilver BG® delivers extended antimicrobial action
- + No fragrances, parabens, sulfates, or alcohol
- + Antibiotic and steroid-free
