WATER-RESISTANT LEATHER WORK GLOVES

DIY is more than a method, it's a way of life. We built our Durahide™ Cow Driver for weekend warriors who need a versatile leather work glove that isn't afraid of water. Our proprietary Durahide™ Leather Technology is water resistant yet breathable, and ready to work with no break-in time.

FEATURES

- 1 Comfortable stretch-elastic cuffs provide easy on and off flexibility.
- 2 Durahide™ DRY™ leather is water resistant yet breathable, and ready to work with no break-in time.
- 3 The Gunn cut finger design repositions vulnerable seams for improved durability.
- 4 Comfortable keystone thumb design.

INTENDED USES

- Landscaping
- Home Improvement
