

BRENDEL

CHARDONNAY

NOBLE ONE

SONOMA COUNTY

2021

The 2021 Noble One Chardonnay has bright, fresh acidity with notes of ripe stone fruit including peaches and apricots. Cold fermented at 55°F with malolactic fermentation to add body, the wine is aged for 9 months in stainless steel on lees, which produces a brioche characteristic. A fresh snapshot of what Chardonnay can taste like, this full Chardonnay is varietally driven with good structure and maintained freshness.

ABOUT BRENDEL AND A NEW NAPA

Let's get real here. The Napa Valley has some of the best wineries on Earth, but it's also been described as a region of exclusivity. An area defined by fine wine and the people who drink it. And fine wine is fine, but only if it's good. Luckily, we make good wine. Because while fine wine brings some people together, good wine brings everyone together.
