UNLOCK YOUR MOBILITY, LIVE FREELY

40 DAY SUPPLY

Movement is essential for our wellbeing:
We believe in delivering clinically tested joint health ingredients to keep you moving and connected to what you love most.*

GLUCOSAMINE:
Is key for the formation of cartilage, an essential building block of your joints. It also supports the strength, mobility and flexibility you want in everyday life.*

FruitX-B® (Calcium Fructoborate):
Uniflex FruitX-B® is a clinically tested mineral complex that supports joint comfort in as little as 2 weeks. It also contains boron, which helps support bone health.*

MSM (Methylsulfonylmethane) :
MSM, from OptiMSM™, is a source of sulfur found in the body that is important in the formation of collagen in joints. Collagen is a vital part of your joints because it supports the structure of cartilage.
