

Oxyfresh

Programmable air freshening system

For freshness that doesn't fade

Reliable Performance

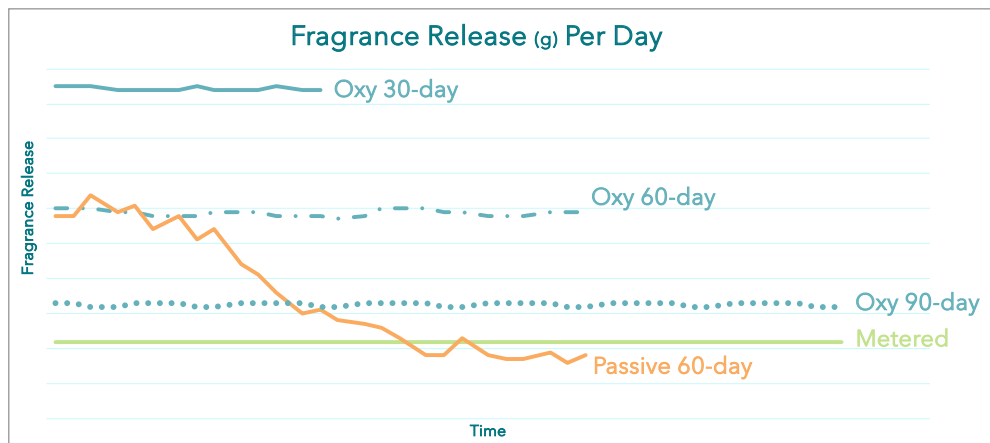

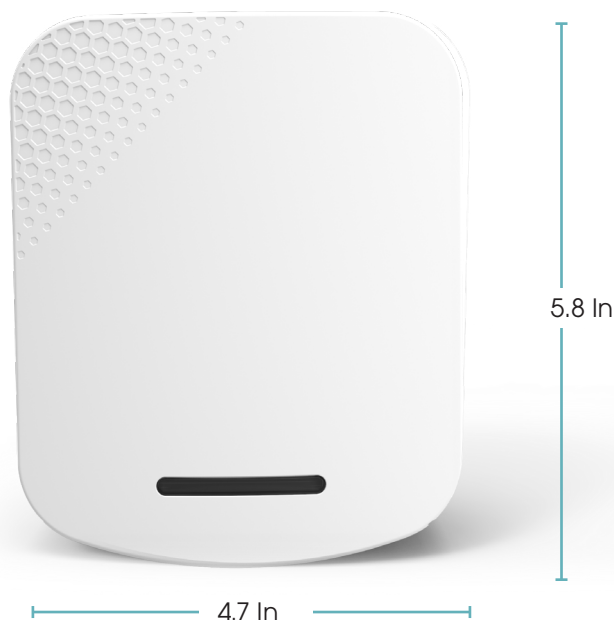

- Oxygen-powered technology that delivers fragrance continuously and consistently
Covers 600 sq. ft.

Safe & Eco-friendly

- Noiseless; free of CFCs, VOCs, and propellants
- 100% pure fragrance oil; no added solvents or alcohols

Effective Odor Control

- Cartridge contains more than 6 times the fragrance oil in metered aerosols
- 30-, 60-, or 90-day output options to meet your needs.
