

KIDS™ KINCO PRO™ crawly things™ CORAL SYNTHETIC

Style No. 2009WB

- Form-fitting, stretchable coral polyester-spandex fabric back-of-hand provides a snug fit
- Gray suede synthetic leather provides flexible, long-lasting palm protection
- Easy-On™** cuff with shirred elastic wrist facilitates quick on & off use, while tightening the shell material to the hand for a secure fit & providing an additional preventative measure to block debris from further entering the glove
- Pull-tab on cuff helps reduce stress on wrist seams when pulling gloves on & off
- Gray pieced fabric hem incorporates an added piece of material, which creates a finished look & prevents fraying
- Fourchette finger design allows for the natural extension & contraction of finger movement
- Wrap-around index finger design creates increased durability & comfort, & ensures that the high-rub areas on the exterior of the finger are not compromised by potential thread or seam failures
- Gray suede synthetic leather patches at the distal end of the fingers provide a protective barrier around the fingernails & fingertips, which reinforces the base material & seams for added wear
- Rhombold™** thumb incorporates a gusset in the saddle of the hand, which allows the thumb to move more freely & eliminates common pinch points & bunching
- Touch-screen compatible patch on index finger knuckle provides convenient access to devices while protecting hands
