

GOAT DRIVER

LEATHER WORK GLOVES

Comfortable stretch elastic cuffs make for easy glove removal, and our flame-resistant goatskin delivers the perfect blend of dexterity and durability when handling hot materials. Goat grain leather naturally is water resistant, while breathable and ready to work with no break-in time.

FEATURES

- 1 Comfortable elastic cuff ensures a quick, easy fit while sealing out dust and debris for a cleaner, more comfortable wear.
- 2 Goat leather is water resistant yet breathable, and ready to work with no break-in time.
- 3 The Gunn cut finger design repositions vulnerable seams for improved durability.
- 4 Comfortable keystone thumb design.

INTENDED USES

- Landscaping
- Maintenance & Repair
- DIY Home Improvement
- Agriculture
- Farming
- Towing & Transportation
- Manufacturing
- Building
- Construction
