

## Kimtech™ A8 Shoe Covers with Unitrax™

Provide **superior traction** on a wide range of surfaces

Help **reduce the risk** of slips and falls

Highly durable **waterproof** material

**Kimtech™ A8 Shoe Covers with Unitrax™** are designed to improve worker safety and comfort, while maintaining cleanliness and providing seamless protection when and where it counts. Slips and falls are common causes of injury and disruption in the laboratory and cleanroom and the Kimtech™ A8 Shoe Covers with Unitrax™ help your operators minimise these risks.

The comfortable and hard-wearing foot protectors are made from a durable material suitable for rigorous, repeated use.

They feature an all-over anti-slip coating that provides excellent traction on a wide range of surfaces commonly found in working environments.

Kimtech™ A8 Shoe Covers with Unitrax™ anti-slip treatment are suitable for protecting users in laboratories and ISO 8 cleanrooms. They are double-bagged and available in a range of sizes to suit different footwear.

## Kimtech™ A8 Shoe Covers with Unitrax™

## Key Features
