

HIGH!

Now Available on Draft and in Cans!

- **ACE HIGH**—Who doesn't like that? An Imperial cider made for royalty with an **8.4% abv**, say "**HIGH**" to the rare bittersweet apples that give this cider its complexity. Bittersweets are rich with tannins and deliver both bitter and sweet notes (imagine that?) for superior balance. Reinforce your transcendence and keep an **ACE** up your sleeve. **Cheers!**
