Heavy Duty Contractor's Paper

When you're on the job, protecting surfaces matters. That's where Trimaco's X-Paper® comes in. It's 1.5X thicker than builder's paper. It's tougher, longer-lasting and easy to use. Simply lay it down, cut, and get to work. X-Paper® is breathable, surface-safe and resists minor spills with no bleed. Work smarter, not harder.
