Introducing the IPORT CONNECT PHONE Case for iPhone 16e

Say farewell to bulky accessories and embrace streamlined mobility with the IPORT CONNECT PHONE Case for iPhone 16e. Designed for dynamic business environments, this sleek yet rugged case empowers your team to stay connected and productive without being tethered to a workstation. Engineered to meet MIL-STD-810 standards, the CONNECT PHONE Case delivers exceptional durability while maintaining a slim, professional profile suitable for high-traffic use.

Charge and organize with ease using the IPORT Multidock, which accommodates up to six iPhones with CONNECT PHONE Cases—ensuring devices are always powered and ready. Whether used on the sales floor, in the field, or throughout corporate spaces, the IPORT CONNECT PHONE Case turns your iPhone into a reliable business tool, purpose-built for performance, protection, and portability.
