

COLDWORK™ WIND SHELL

COLD WEATHER HAND PROTECTION

When the wind picks up and the cold front moves in, reach for our ColdWork™ Wind Shell gloves to ward off the elements. Comfortable micro-fleece lines the entire glove and PrimaLoft® Gold encases your hands with a combo of 40g and 60g insulation to reduce bulk. The Wind Shell features an internally bonded wind barrier to prevent cold air from pushing through when the gusts are strong.

FEATURES

- 1 Extended cuff with hook and loop wrist closure creates a secure fit.
- 2 Heavyweight fleece construction with water resistant soft shell back of hand protection.
- 3 PrimaLoft® 40g Gold performance back of hand insulation.
- 4 Rugged Armortex® thumb saddle reinforcement and fingertip reinforcement.
- 5 Rugged Armortex® palm resists water and maintains grip.
- 6 PrimaLoft® 60g Gold performance palm insulation.
- 7 Touchscreen capable index finger keeps you connected in cold conditions.
- 8 Removable spring clip keeps your gloves organized for easy storage.
