

FLOWER CROWNS

TRANSFORM COLORFUL PAPER BLOSSOMS INTO BEAUTIFUL FLOWER CROWNS.
YOUR KIT INCLUDES ENOUGH MATERIALS TO MAKE, WEAR AND SHARE 4 FLOWER CROWNS.

Ages 7 to 97

BEFORE YOU BEGIN

Carefully remove the flowers displayed in the window.

Like real flowers, these delicate paper blooms are fragile, so please handle them with care and avoid getting them wet. Wet flowers may transfer color onto your skin, clothing or other surfaces.

The flowers, berry bunches and bud branches have been carefully crafted to avoid sharp points. Inspect your components before you begin. Ask an adult to carefully bend back any wires as needed. Although the glitter paint included is washable, cover your work area and clean up any messes while the paint is still wet. It may stain when dry.

DESIGN TIME

Your kit includes enough materials to make 4 flower crowns. If you want to make fewer crowns, you can combine your components together.

- Decide on a color scheme for your crowns. If you are not sure, refer to the samples on the box for inspiration.
- Twist the flower wires and berry bunches around the bud branches until you get the look you want.
- To add the fabric leaf garland, wrap and weave it between the flowers. Bend each end of the bud branch wire over the garland to hold it in place.
- When you are finished, add a touch of gold glitter paint for extra sparkle. You can squeeze a little on your finger and rub it over the petals or squeeze small amounts directly onto the flowers. Set the crowns aside to dry.

SIZE

Decide how you want to wear your flower fashions - headband, crown or maybe across your forehead? Adjust the size to fit by twisting the ends of the wires together. You can also use your own bobby pins to fasten them in place as desired.

RECYCLE CREATIVELY

- Make a matching flower crown for your favorite doll or stuffed animal. Ask an adult to cut the bud branch to size as needed.
- Rose room décor - Use your flower vines to decorate a mirror or picture frame, or maybe even your school locker?
- Use leftover flowers to decorate your pens and pencils or attach them to your hair clips, bracelets or pony tail elastics.
