## EYEWEAR PROTECTION

Vision Type-N safety eyewear is built on a lightweight, wraparound frameless impact-resistant polycarbonate structure for maximum field of vision and comprehensive eye protection. Designed for indoor or outdoor use across various industries and incorporating anti-fogging technology, the Type-N checks the box for both protection and style.

### FEATURES

- 1** Lightweight wraparound polycarbonate frame ensures maximum protection.
- 2** Anti-fog and anti-scratch lens coating.
- 3** Beveled lens edge for additional upper eye protection.
- 4** Rimless lens design provides wide field of vision and unobstructed view.
- 5** Soft molded Thermoplastic Rubber (TPR) temples for secure comfortable, non-slip fit.
- 6** Soft molded TPR nose bridge for secure fit and comfort.
