### **BioAdvanced Science-Based Solutions Organics Brand Insecticidal Soap Ready-To-Use**

#### **EPA Reg. No. 67702-21-92564**

This recommendation is made as permitted by Section 2(ee) of FIFRA, as amended, and has not been submitted to or approved by the US Environmental Protection Agency. This recommendation must be in the possession of the user at the time of pesticide application.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For control of Spotted Lanternfly, thoroughly spray insect pests to wetting on all plants parts, including undersides of leaves. Repeat treatment weekly or biweekly if needed. May be used on edible crops up to and including day of harvest.**

Follow all other label directions, restrictions and precautions on the product label.

ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS.

This FIFRA Section 2(ee) recommendation contains new or additional directions for use of this product, which may not appear on the package label. Read and observe the precautionary statements plus all other information appearing on the product labels. For Utah and Washington, this recommendation is not required to be in the possession of the user at the time of pesticide application. For all other states, this recommendation must be in the possession of the user at the time of pesticide application.
