

Magnetic Bulletin Bar

Post it with Magnets

Organize and display calendars, photos, to-do lists, important documents and more on a powder-coated or brushed steel bar with strong magnets. Turns any surface into a magnetic board; magnets make changing the display easy.

Features

- Ideal for home, office, school or dorm
- Adheres to smooth and textured surfaces such as walls, tile, glass, concrete and plastic, wood*
- No holes in wall or displayed item
- Mounts easily with removable foam adhesive or screws (powder-coated bars)
- Find more types of posting magnets (sold separately) at: www.magnetsource.com/BulletinBar
