GSS28H

GE® 27.7 Cu. Ft. Side-By-Side Refrigerator with LED Light Walls, Extra Tall Dispenser, & Antimicrobial Drawer Liners

Features and Benefits

LED Light Walls - Two, bright LED light walls help illuminate every corner of your fridge and freezer, allowing you to see everything and find it fast.
Extra Tall External Dispenser - Easily access filtered water and ice from an extra tall, 11-inch dispenser made to fill everyone in the family's favorite water bottle.
Antimicrobial Drawer Liners - Custom fitted for two, large, fresh food drawer bins, these anti-microbial and anti-slip liners keep items from moving and capture spills, while being easily removable for cleaning.
In-Door Icemaker - Located on the door to create more usable storage space in the freezer. Dispense cubed and crushed ice through the door.
Extra Large Storage Capacity - It's easy to stay organized with extra room to store large or bulk food items with 27.7 cubic feet of storage space.
Adjustable Glass Shelves - Store more of your favorite tall items like two-liters, and take advantage of wide, wall-to-wall glass shelves - perfect for party platters and more - offering adjustable organization at every level.
Extra Large Adjustable Door Bins - Move the clear door bins up and down to fit your storage needs – whether it's large gallons, tall bottles, or everyday essentials. Four of the fresh food bins are extra large, which means you can fit two gallons of milk plus more, all in just one bin.
Interior Storage Drawers - With two fridge drawers and two freezer drawers, there's a place for everything – from fresh fruit to frozen fruit - so your family always knows where to look.
MultiVent Cooling - Multiple vents distribute air flow to help keep set temperatures consistent.
Door Alarm - Protect your groceries with a door alarm that signals when the fresh food or freezer door has been accidentally left open.
Built-In WiFi, Powered by SmartHQ™ App - control temperature settings, get high temperature alerts, get door alarm alerts, manage your icemaker, check water filter status, adjust the brightness of your LED Light Walls, and more.
Advanced Water and Ice Filtration - The included refrigerator water filter reduces 50+ impurities including lead, chlorine, microplastics, and PFOA/PFOS; providing clean, safe drinking water and ice.

Total Capacity 27.7 Cu. Ft.
Refrigerator Capacity 18.1 Cu. Ft.
Freezer Capacity 9.6 Cu. Ft.

Model GSS28HYYFS - Fingerprint Resistant Stainless
