

QUICK RELEASE

Technical Data Sheet

Product name:	Quick Release	Creation date:	02/2018	Version:	1
				Replaces:	0

1: General description

This active liquid will rapidly penetrate and loosen up jammed luminescent lights, mountings, bulbs, fluorescent tubes.

2: Features

Based on non flammable solvents.

Displaces and seals out water and moisture.

Loosens metal parts seized by dirt, corrosion or dried-up grease.

Penetrates quickly.

Contains PTFE for extra lubricity.

Safe on all metal surfaces, does not stain.

Safe on most rubbers, plastics and coatings. Test on sensitive or stressed materials before use.

Convenient 360° (including inverted position) spray valve for aerosols.

Silicone free.

3: Applications

Loosen up blocked Luminescent lights, mountings, bulbs, fluorescent tubes.

Electro-mechanical assemblies.

Seized and corroded parts.

4: Directions

- Extinguish lamp and let cool down.
 - Shake well before use.
 - Spray from a short distance.
 - Allow a few minutes for good penetration.
 - Use extension tube for more precise application.
 - Use only with adequate ventilation.
 - Test before use on sensitive materials.
 - Take all necessary precautions to avoid electrocution.
 - Allow to dry completely before reactivation.
-
- A safety data sheet (MSDS) according to EC Regulation N° 1907/2006 Art.31 and amendments is available for all CRC products.

5: Typical product data (without propellant)

Appearance
Color
Odor
Density

Liquid
White
Characteristic
1.4 +- 0.05 (@ 20°C)

Section 6: Packaging

Aerosol 12x500 ML

All statements in this publication are based on service experience and/or laboratory testing. Because of the wide variety of equipment and conditions and the unpredictable human factors involved, we recommend that our products be tested on-the-job prior to use. All information is given in good faith but without warranty neither expressed nor implied.

This Technical Data Sheet may already have been revised as a result of a change in legislation, availability of components or newly acquired experiences. The latest and only valid version of this Technical Data Sheet will be sent to you upon simple request or can be found on our website: www.crcind.com We recommend that you register on our website for this product, thus enabling you to automatically receive any future updates.
