

TAYLOR MADE ROD HOLDER READY FLAG POLE

Fly your flag without drilling or mounts! The rod holder ready flag pole from Taylor Made drops straight into existing standard fishing rod holders. An X-groove base allows the flag pole to fit snugly into the rod holder to prevent any twisting or spinning.

TAYLOR MADE ROD HOLDER READY FLAG POLE

NO EXTRA MOUNTS REQUIRED

X-GROOVE BASE DESIGN

An X-groove base helps the pole sit more securely inside the rod holder, reducing unwanted movement and keeping the flag pole positioned upright while underway or at rest

T-TOP BUNGEE SECURITY

Includes a bungee that loops underneath T-top rod holders to help keep the pole in place, adding extra retention for boats with elevated rod holder setups

SECURE CHARLEVOIX CLIPS

Durable Charlevoix clips hold flags securely while rotating freely, allowing the flag to move naturally and helping prevent wrapping around the pole during wind or boat movement

Additional Features

- Easily mounts into standard existing rod holders
- Included bungee keeps the pole secure in T-top rod holders
- Included clips rotate freely to prevent flag wrapping
- Easily reposition bottom clip and O-ring to match your flag size
- Corrosion-resistant anodized aluminum construction
- Available in six lengths

What's Included

- Flag pole
- Charlevoix clips
- Bungee cord
