

ELECTRIC HEATERS

When the temperature drops and you need supplemental heating to stay cozy, choose a Perfect Aire® electric heater.

We offer a variety of heaters including ceramic, wire element fan-forced, infrared quartz radiant, and oil-filled convection. Perfect Aire® electric heaters include built-in safety features to make sure heating is done safely, such as overheat protection, tip-over switches and automatic shut-off as well as bonus features like timers, oscillation for wide-spread coverage and multi-function remote controls.
