

SPEEDKNIT™

S37CG06

HIGH HEAT RESISTANCE WORK GLOVES

The SpeedKnit™ High Heat S37CG06 glove protect hands while working with hot materials and machinery. A comfortable 13-gauge para-aramid blended machine knit shell conforms to your hand while blocking heat at an ANSI 3 heat resistance and provides an ANSI A5 cut resistance. The foam nitrile palm coating offers strong gripping power while increasing abrasion resistance that meets an ANSI level 4 rating so you can continue to work with confidence when manipulating hot parts and materials.

FEATURES

- 1 13-gauge para-aramid blend delivers ANSI A5 cut resistance and ANSI 3 heat resistance.
- 2 Foam nitrile palm coating delivers ANSI 4 abrasion resistance that maintains gripping power.
