RIFT

GLAZED PORCELAIN  
AND CERAMIC MOSAIC

Product Shown: Rift White

Monochromatic shadings and texture resembling windswept sand dunes define the contemporary limestone vibe of RIFT. Rich, realistic graphic variations, linear to swirl - effortlessly flow from piece to piece in calming, organic shades. Dual-sized porcelain planks with flat surfaces, clean straight edges and a controlled neutral palette juxtapose strikingly with bolder elements of wood, glass and stone.
