

MACHINE BAGS

5" x 5"

ITEM 2162

Dynarex Machine Bags are disposable, open-ended plastic covers designed to protect tattoo machines from splatter. These easy-to-use bags help reduce the risk of cross-contamination and support a cleaner, more hygienic work environment.

- High-quality plastic cover helps protect tattoo machines from splatter
- Designed to provide a reliable barrier to reduce the risk of cross-contamination
- Convenient, open-ended design allows bag to slip easily on and off
- Disposable for quick cleanup and hygienic handling
- Not made with natural rubber latex
- 500 per box, 16 boxes per case
