# Bona Commercial System™

## Hardwood Floor Cleaner

Bona Commercial System™ Hardwood Floor Cleaner is specifically designed to clean and protect hardwood floors. The professional grade formula provides an effective, residue-free solution for thoroughly cleaning and maintaining hardwood floors. It's intended for professional use on unwaxed, polyurethane finished wood floors. Bona has been trusted & recommended by flooring contractors since 1919.

### Features & Benefits

- Safe for wood floors and leaves no residue
- Green Seal™ certified concentrate
- Greenguard Gold Certified
- Removes calcium chloride salt
- Ready-to-use spray bottle disperses optimal cleaner amount
- Ready-to-use 1-gallon refill convenience

### Applications

- Tilt-N-Measure bottle is concentrated 1:32 for easy mixing
- Use on all hardwood floors
- Ready-to-use spray bottle disperses optimal cleaner amount

This product meets Green Seal® Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on VOCs and human & environmental toxicity. Acute toxicity and skin/eye damage met requirements at the as-used dilution, as specified for closed dilution systems. GreenSeal.org.

## Hardwood Floor Cleaner

### Use instructions

#### Bona Commercial System™ Hardwood Floor Cleaner Concentrate

##### FOR PROFESSIONAL USE ONLY.

Concentrate dilution ratio is 32:1 (32 parts water to 1-part concentrate).

**Directions:** 1. Remove the caps from the bottle and foil seals underneath each cap. 2. Replace both caps and tighten. 3. Grasp the bottle by the handle and tilt forward filling the concentrate into the reservoir. 4. Measure the amount of concentrate by using the one-ounce graduation marks on the front of the reservoir. 5. Remove the cap on top of the reservoir and pour the measured concentrate into the desired tank, bucket, or bottle. 6. Fill the remaining volume with cold water. 7. Repeat as needed.

Recycle empty container.

### Use instructions:

#### Bona Commercial System Hardwood Floor Cleaner RTU

##### FOR PROFESSIONAL USE ONLY.

**Directions:** Vacuum, dry dust with the Bona Commercial System Dusting Pad, or sweep surface before using. Select nozzle setting and spray onto the floor. Clean using Bona Commercial System Microfiber Cleaning pad and mop.

**CAUTION** Bona Commercial System™ Hardwood Floor Cleaner is for use on unwaxed, polyurethane finished wood only. KEEP OUT OF REACH OF CHILDREN. May cause stomach irritation if swallowed, drink 1 or 2 glasses of water to dilute.

Recycle empty container.

### Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
