## PAYMENT PROCESSOR

2. Use the IPORT Security tool to ensure the PayCase is not locked by sliding the lock up the Unlock position.

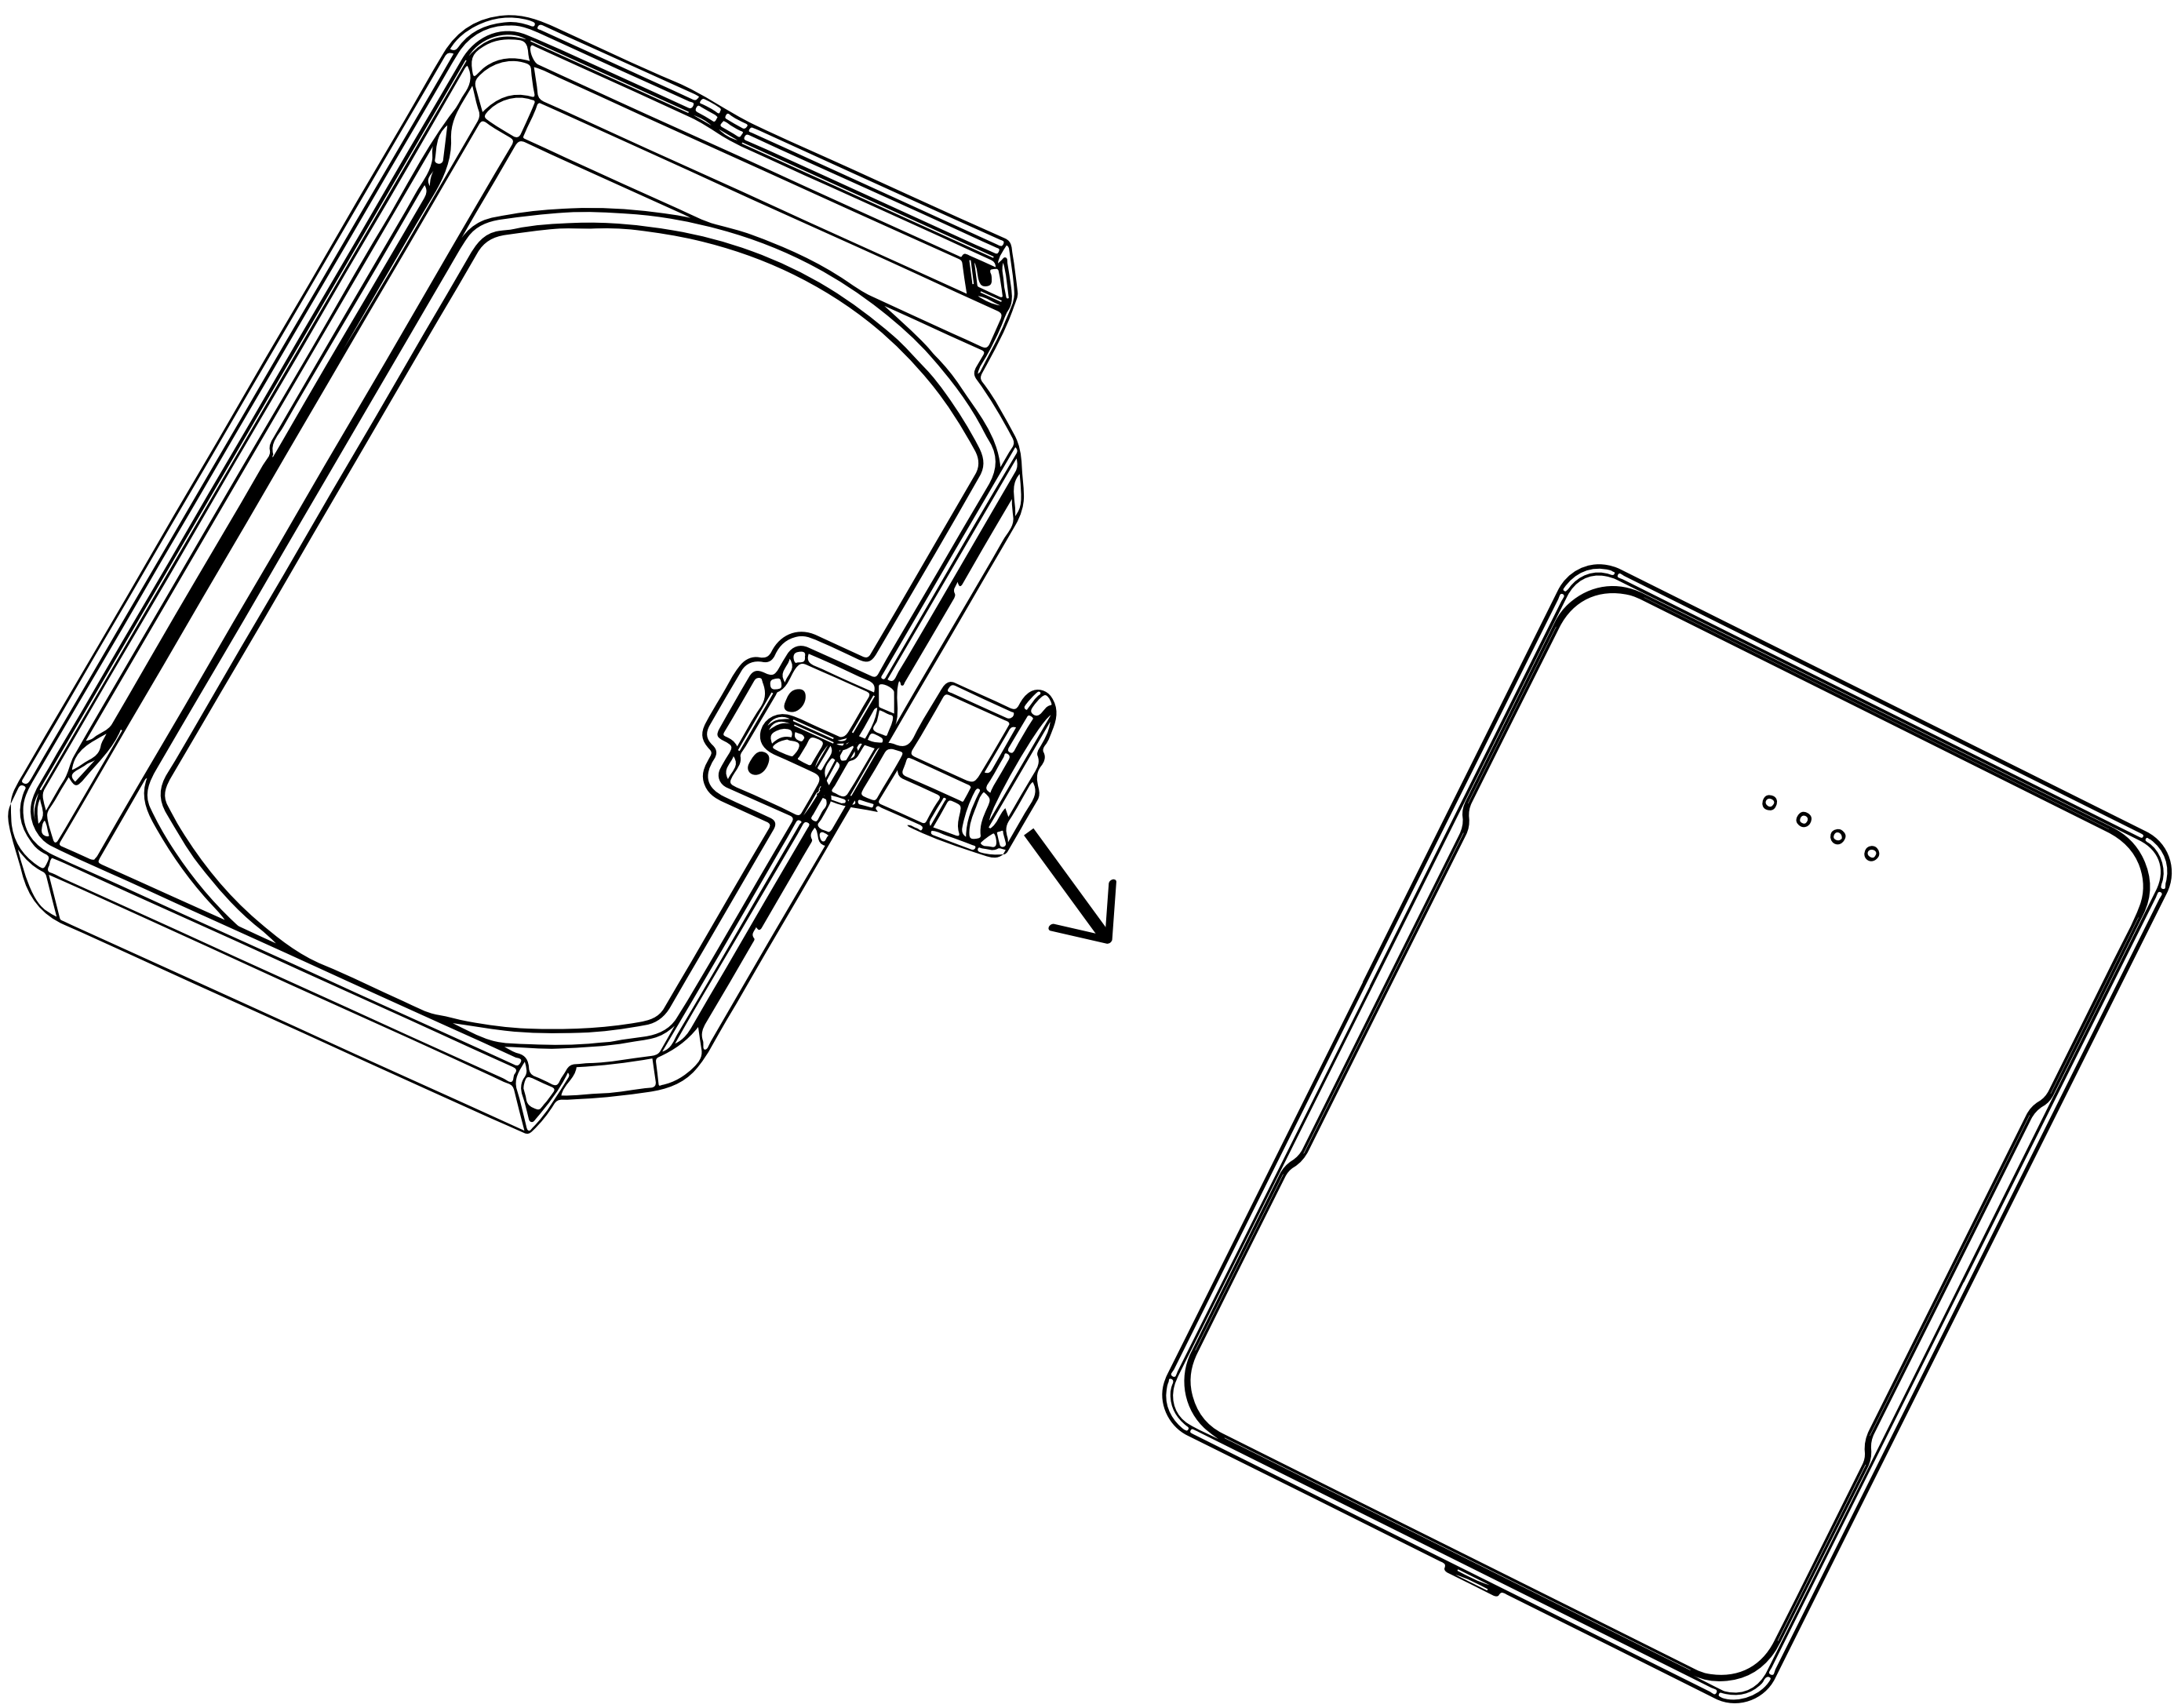

## PAYMENT PROCESSOR

- 3. Separate the two halves of the PayCase, revealing the USB-C cable for the Payment Processor.**

## PAYMENT PROCESSOR

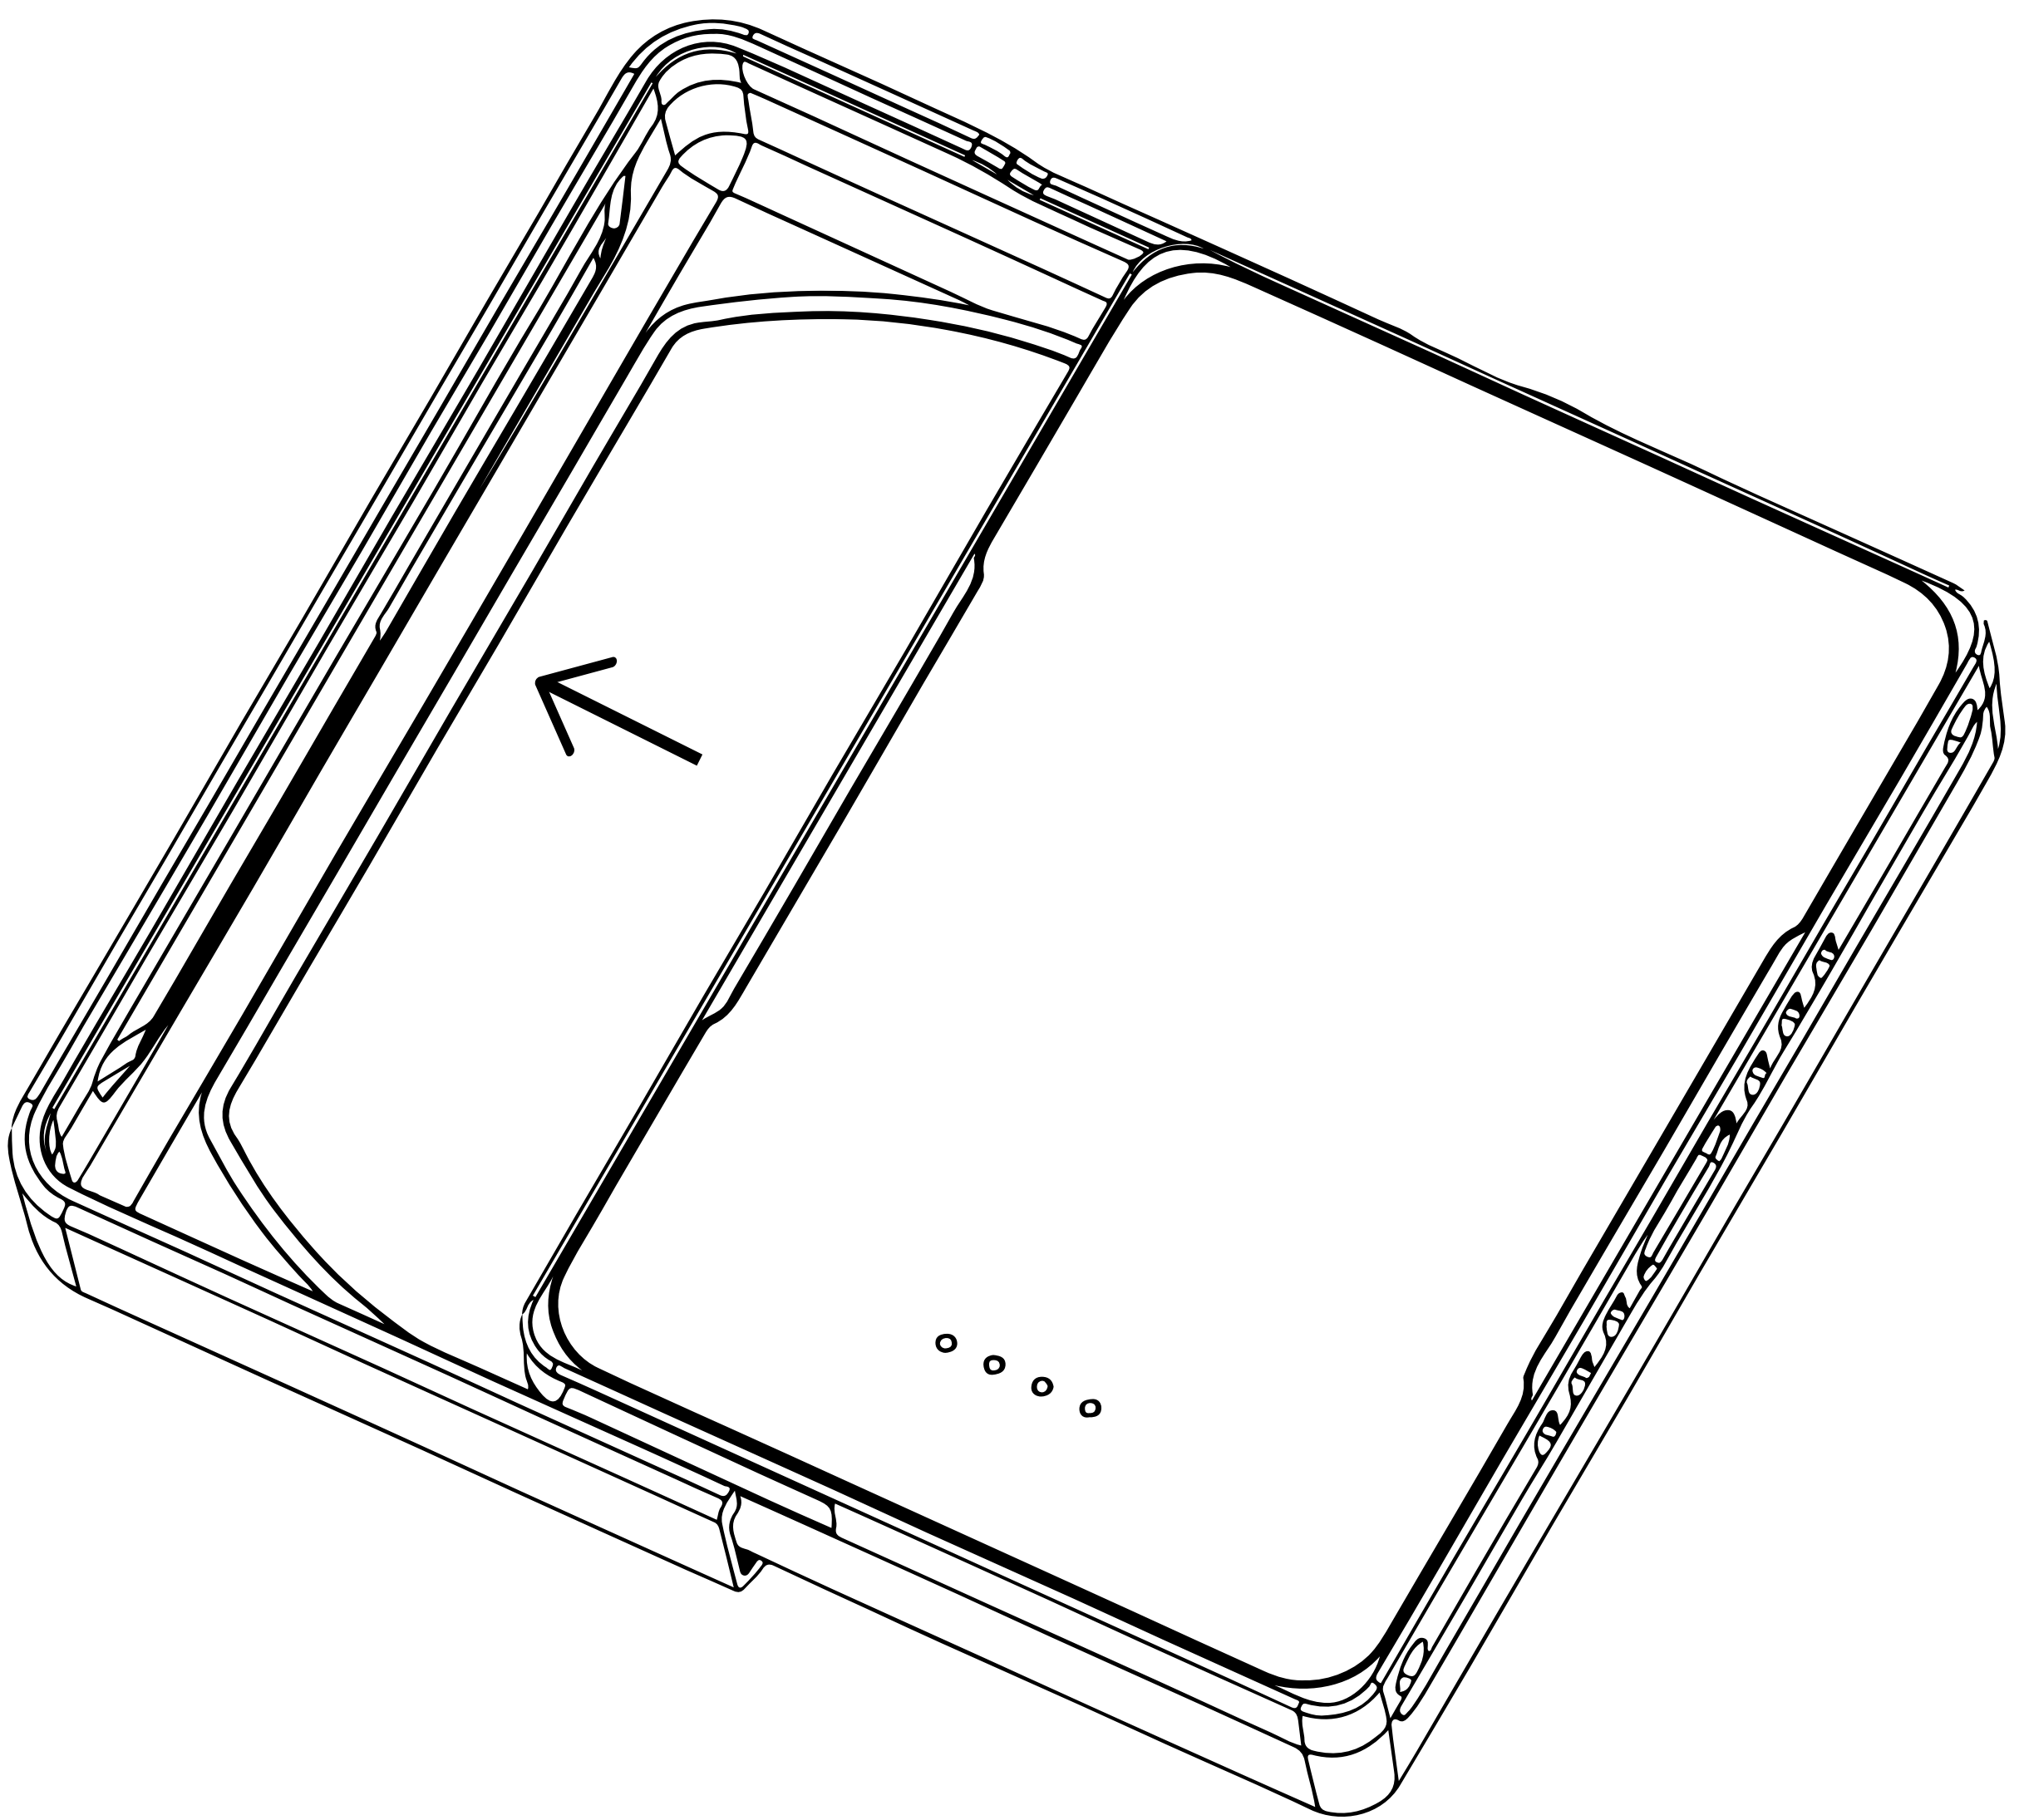

- 4. Move the USB-C Cable down and out of the way of the incoming Payment Processor to avoid damage to the USB-C connector.**

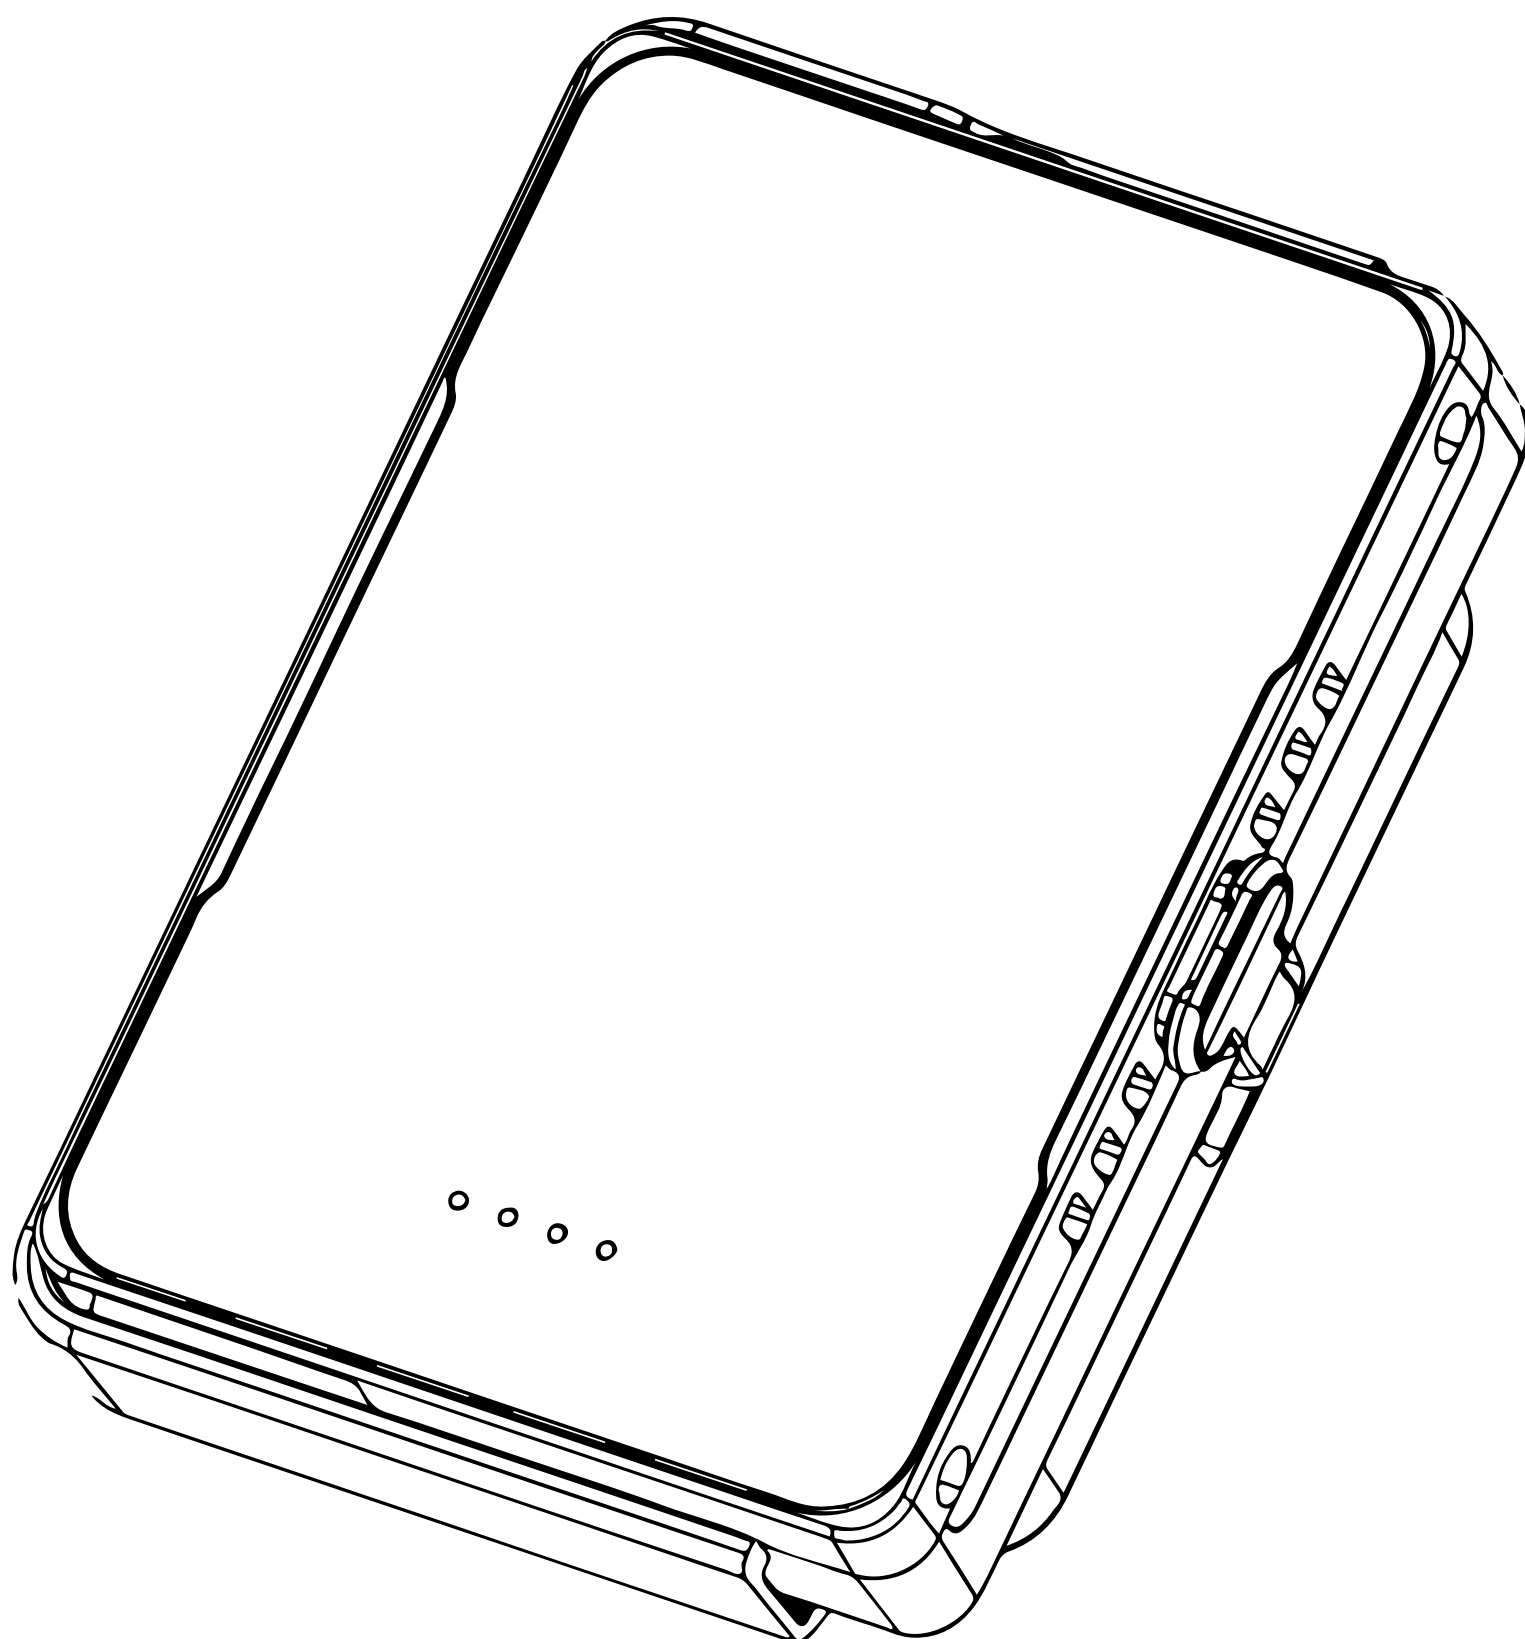

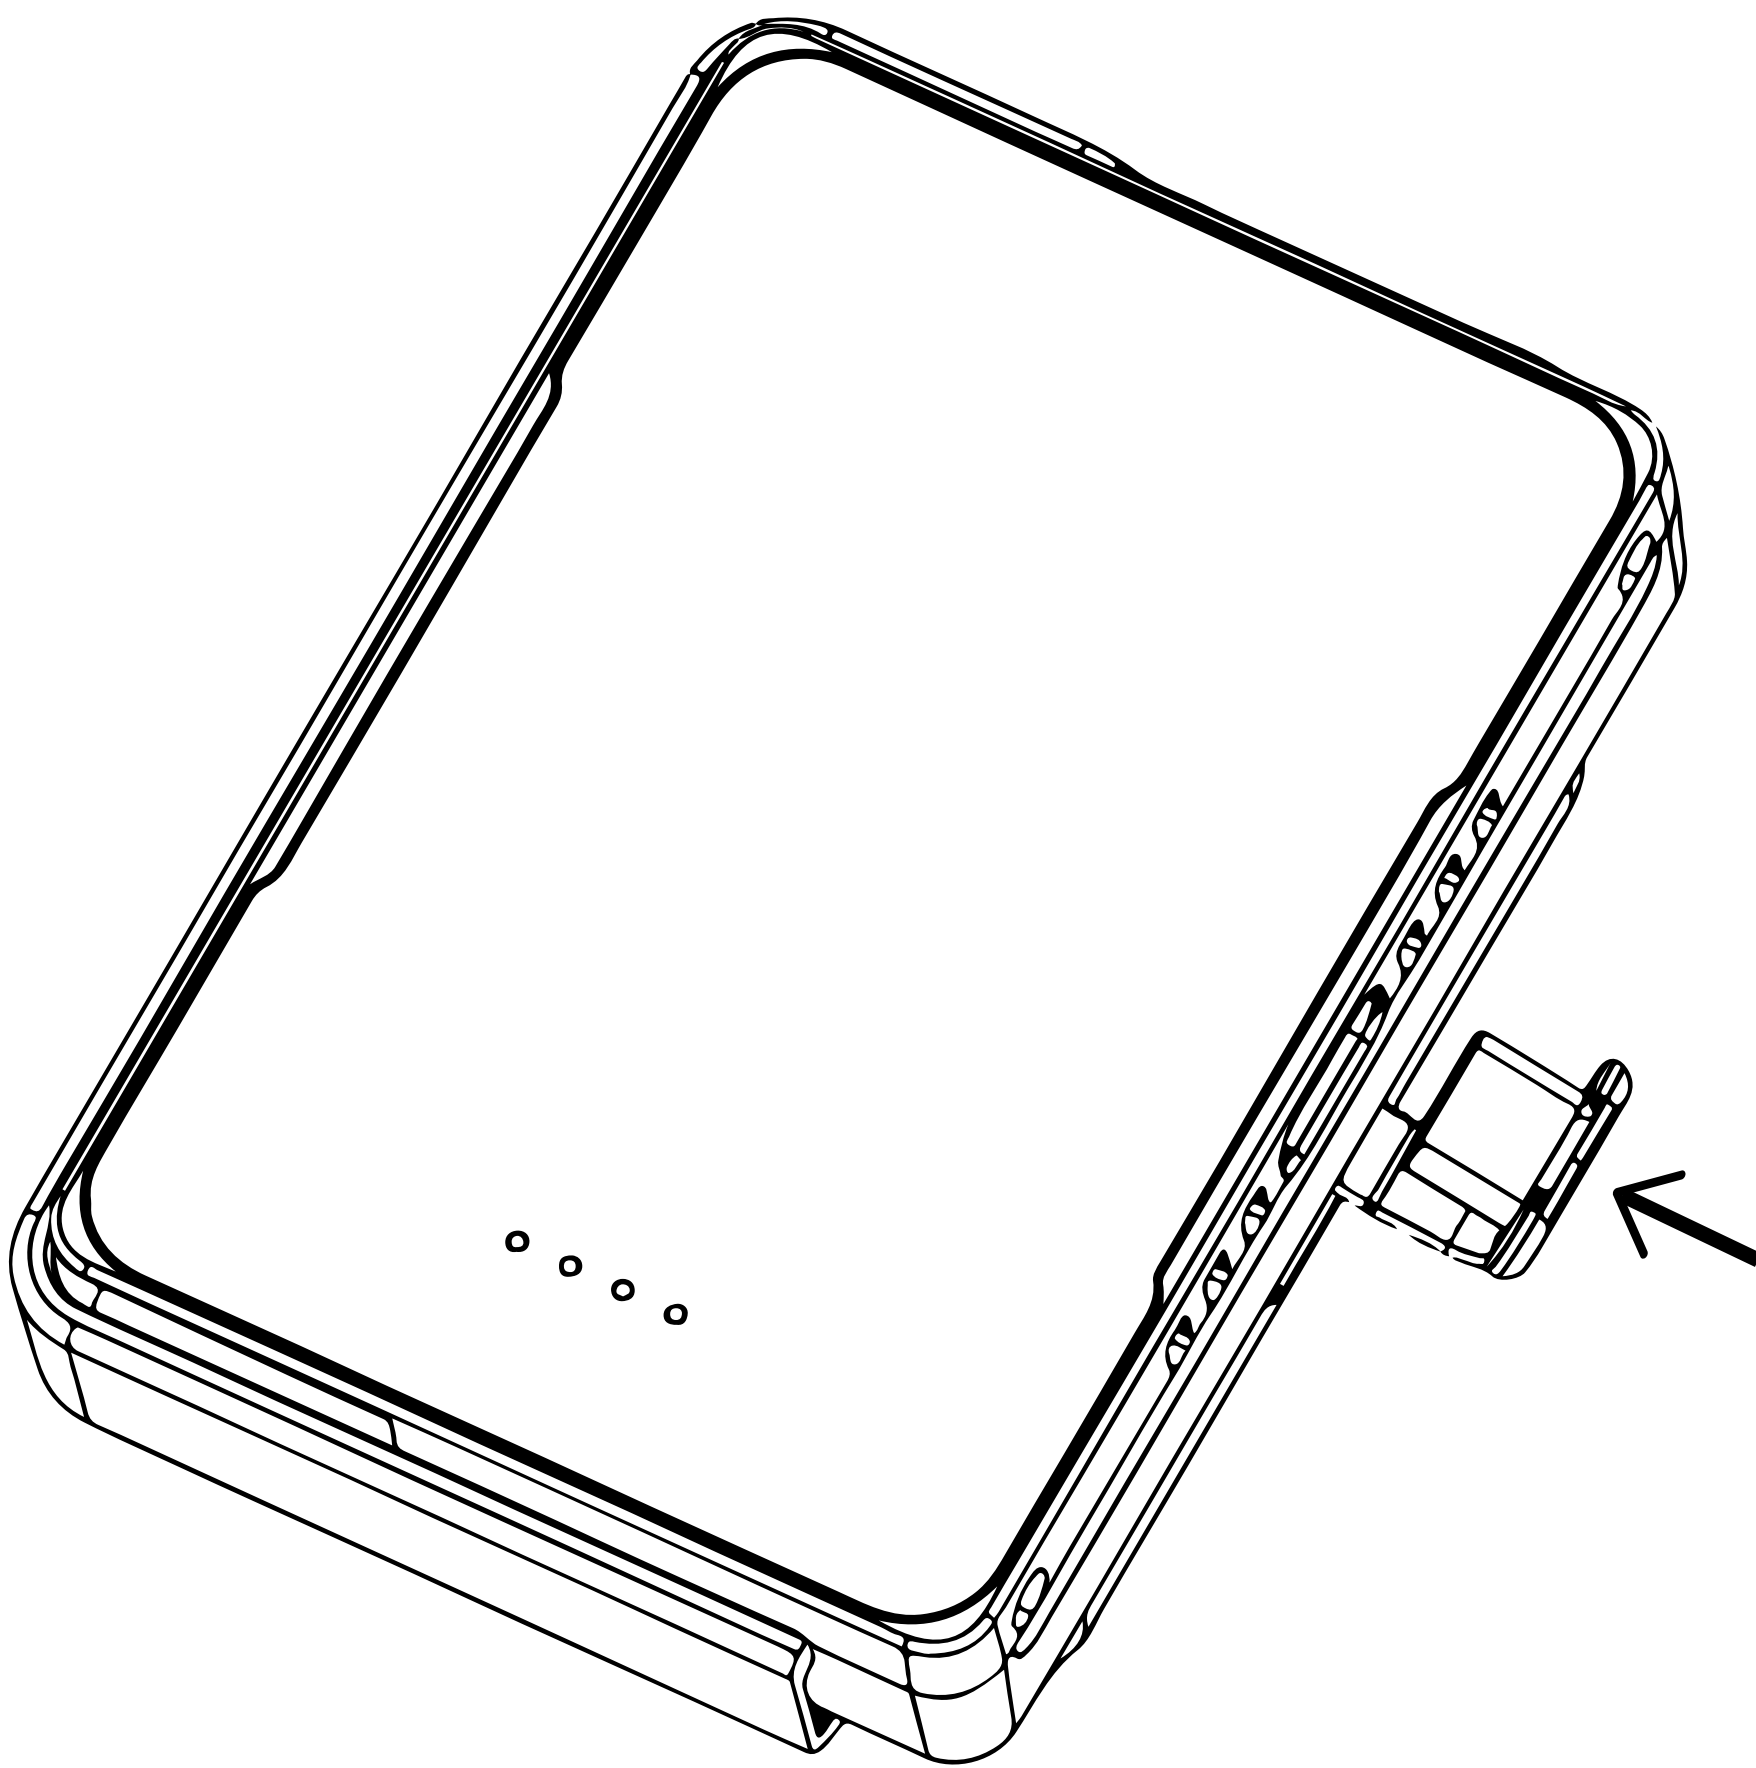

## PAYMENT PROCESSOR

- 5. Slide the Payment Processor mag strip and chip reader away from the USB-C connector.**

## PAYMENT PROCESSOR

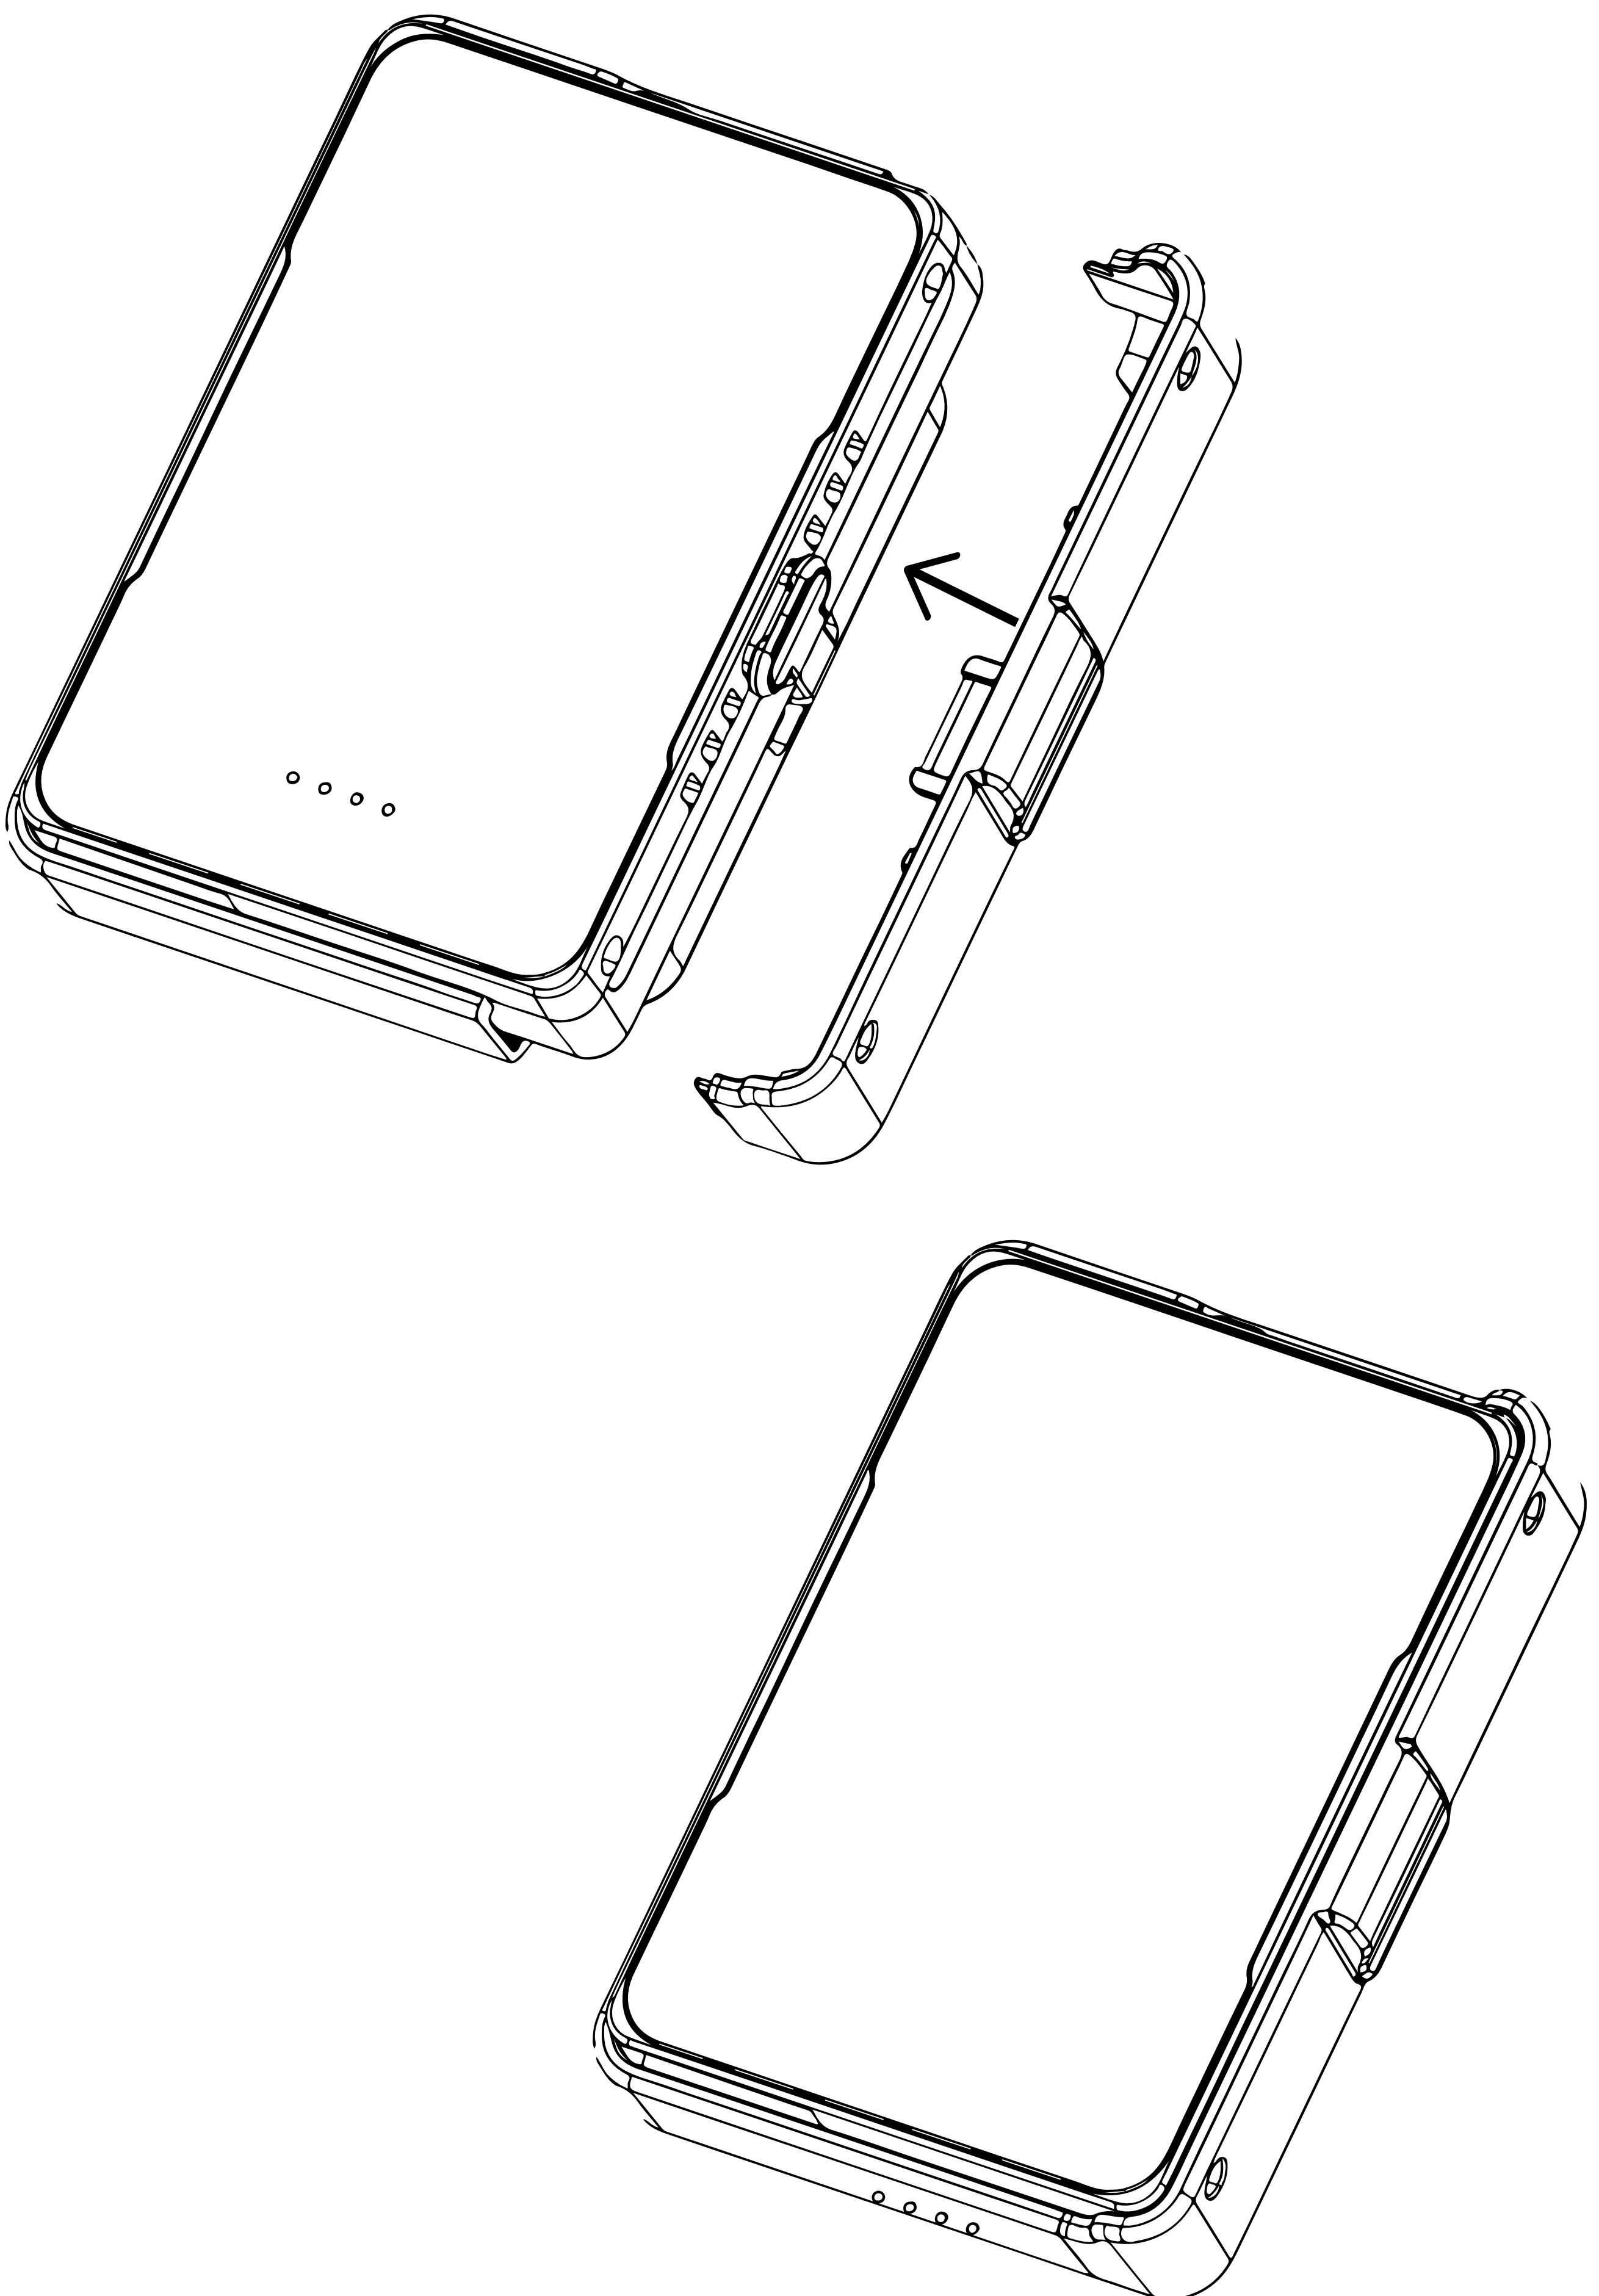

- 6. Insert the USB-C connector into the Payment Processor and ensure the cable is securely seated into the USB-C port.**

## PAYMENT PROCESSOR

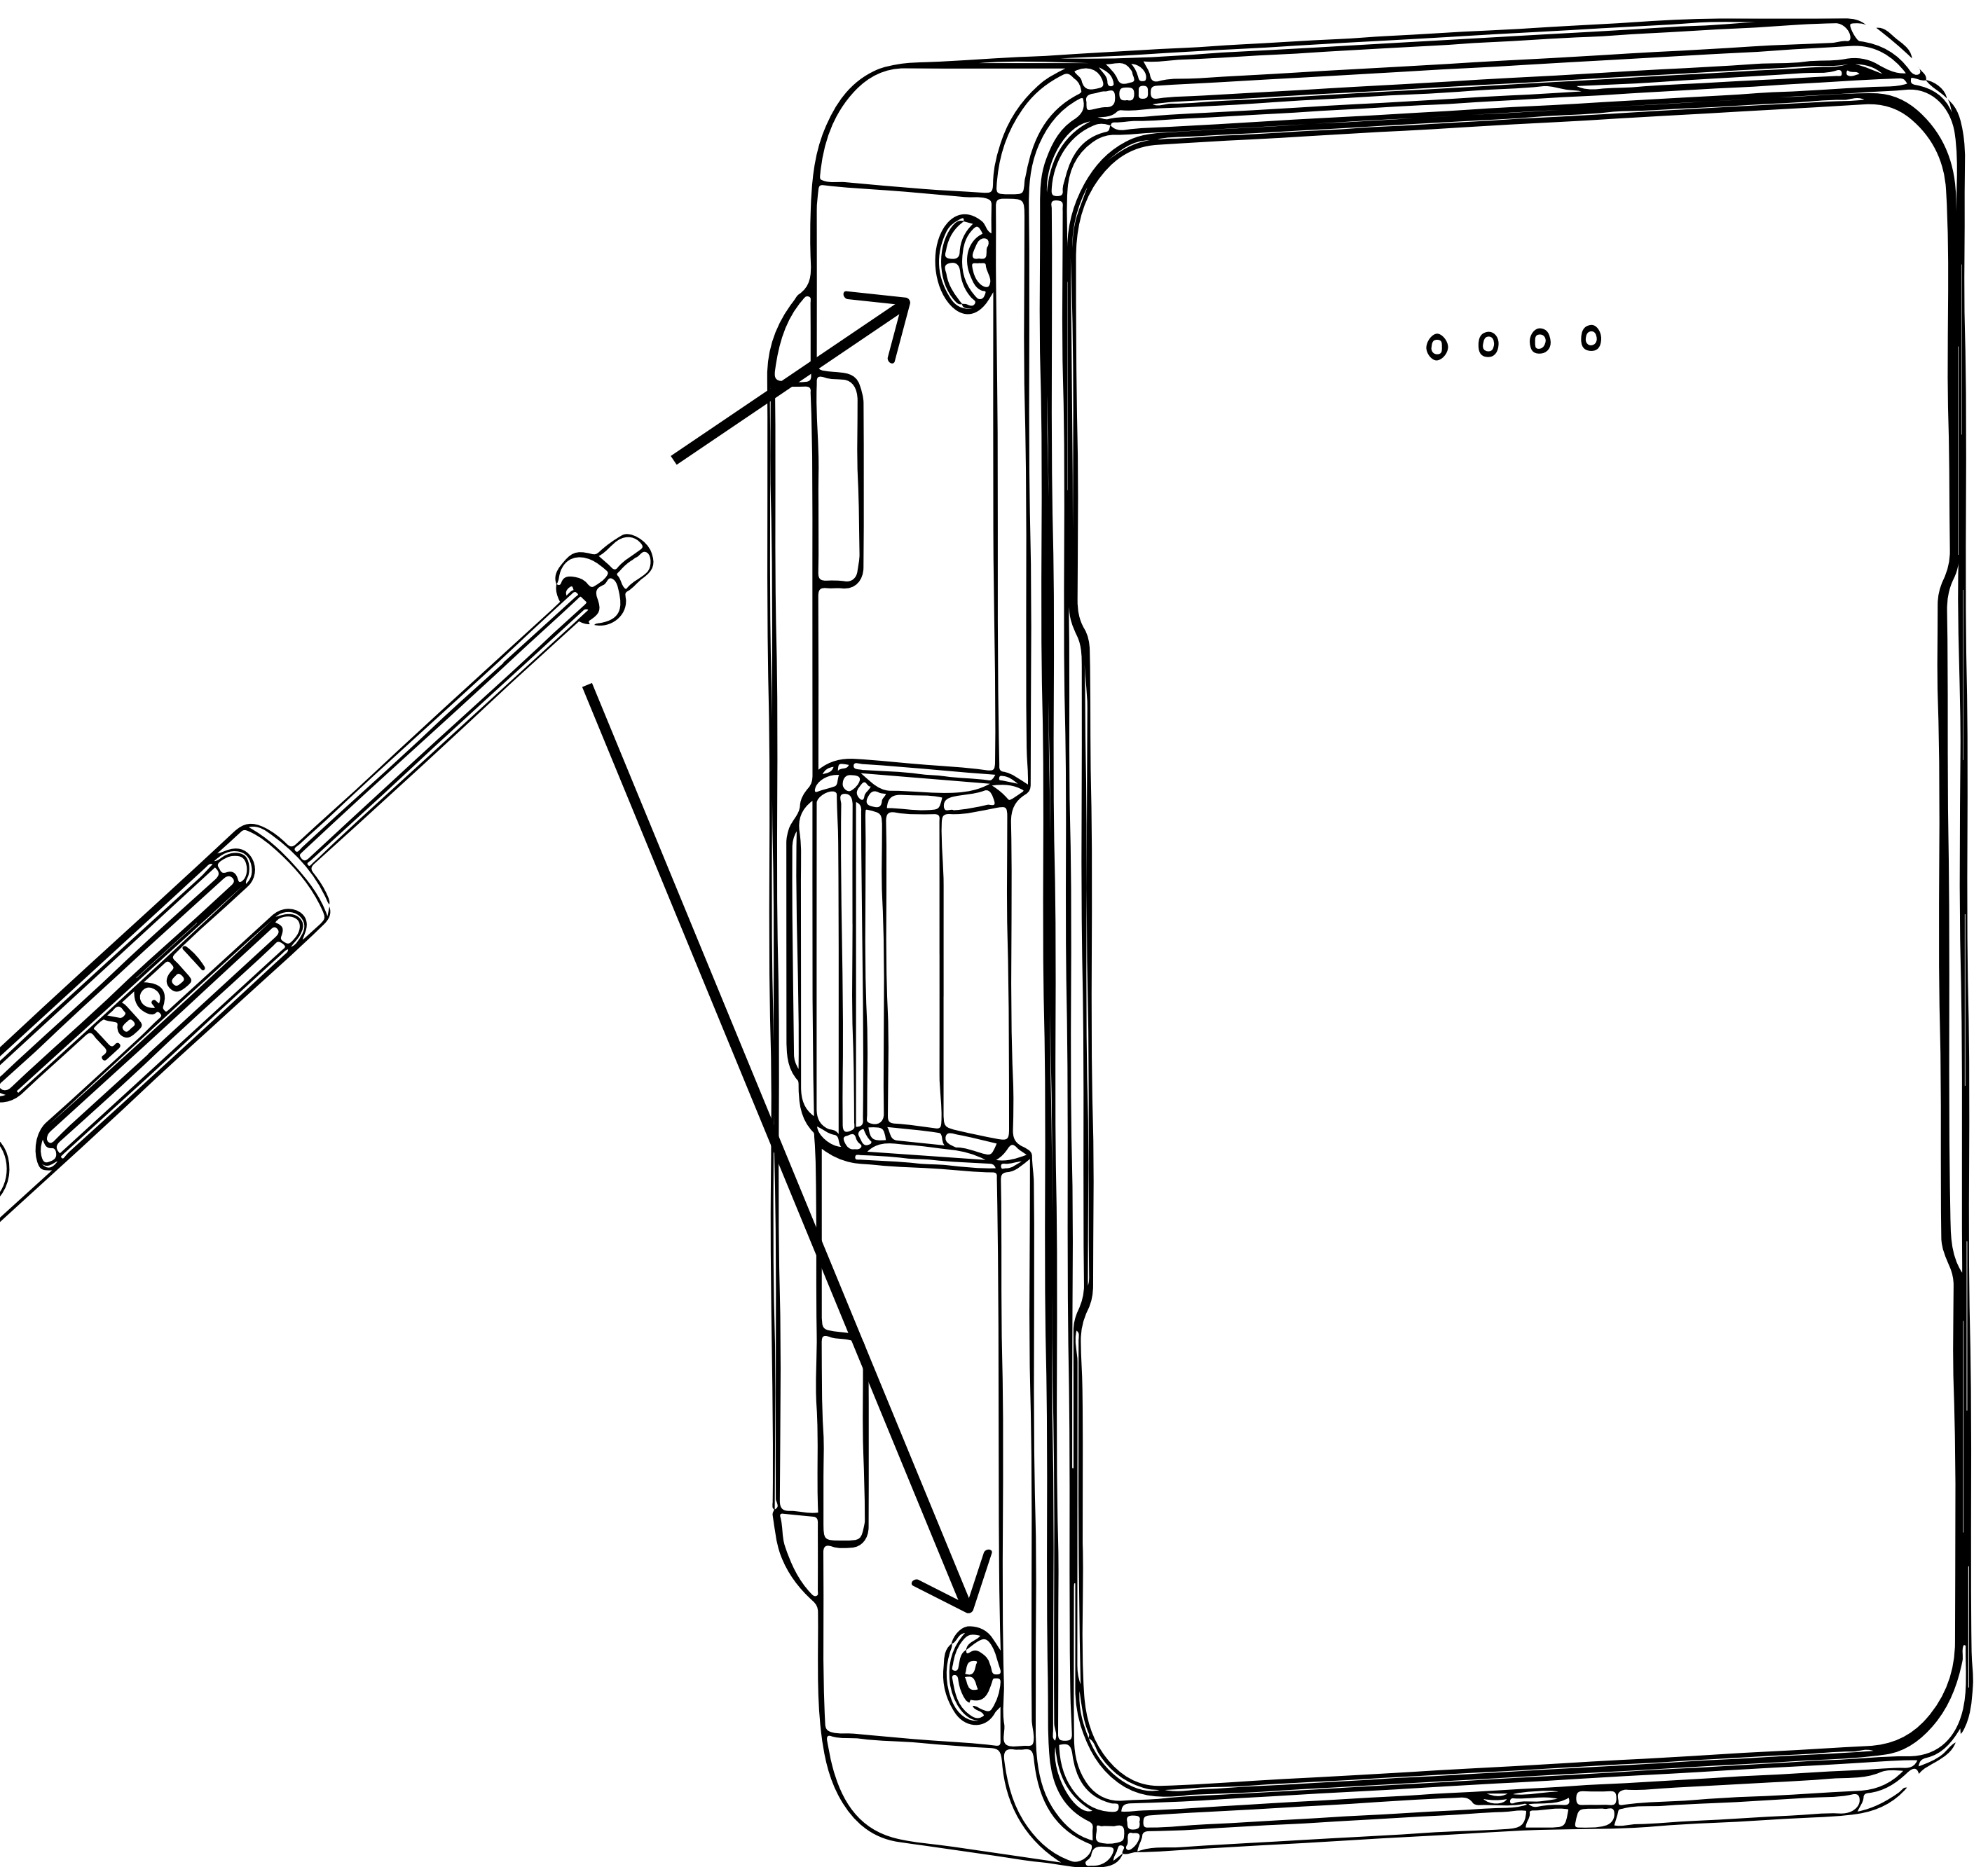

- 7. Insert the PayCase side cover onto the exposed side of the Payment Processor. Ensure the case is in the Un locked location from Step 2, and securely snap in the top, middle, and bottom portions of the side cover.**
