

CASTELPRILE

MAREMMA  TOSCANA

2019 CASTELPRILE ROSSO DOC MAREMMA TOSCANA

The label represents the fluid, the essence of the ancient costal lake of Prelius, what now is known as the Maremma Toscana around Grosseto. The lake has slowly disappeared also due to the drainage of the 30s and now the only fluid that's left is the excellent wine making tradition of the region. The vineyards of Prelius are located on a hilltop along the shores of the ancient lake, 5 miles from the sea facing the majestic Tuscan Archipelago.

COMPOSITION

Cabernet Sauvignon, Sangiovese, Merlot

VINEYARDS

Prile

ACRES PLANTED

12 hectares (29,7 acres) tot. 6,35 hectares (15,7 acres) planted to Cabernet Sauvignon

VINE AGE

Planted between 2001-2004

SOIL

Sand (80%), clay (15%), silt (5%) and gravels

ELEVATION

120 - 170 feet

EXPOSURE

South-southeast

DENSITY

3,500-4,000 vines/acre

TRAINING

Guyot

VINTAGE NOTES

Spring was fairly cool and rainy, particularly so in May. The summer was hot with occasional high temperatures. Having no irrigation water, it luckily rained occasionally during the second half of July. Phenologic changes were delayed and the grapes did not ripen until well into September.

HARVEST DATE

September 6-19

AGING

18 months in French oak barrique

CASE PACK

12/750 ml

ALCOHOL

14%

TA

5.0 g/L

TASTING NOTES

Color: Intense red ruby with purplish highlights.

Perfume: Intense fruity hits of plumps, black cherries and wild blackberries jam. These perfumes are well mixed with sweet spices aromas and balsamic nuances.

Flavor: Juicy and powerful mouth with a thick texture and a juicy aftertaste long and persistent.
