## 2024 PAZO DAS BRUXAS ALBARIÑO, DO RÍAS BAIXAS

### WINERY

Pazo Torre Penelas, established by the Torres family in 2017, is set on a historic estate in the Val do Salnés region of Rías Baixas. Combining innovation with tradition, the winery excels in crafting Albariño wines with a distinct yet balanced minerality.

Located in the town of Portas and dating back to the 14th or 15th century, the winery features a pioneering use of granite for vinification. Led by Winemaker Víctor Cortizo, Pazo Torre Penelas produces the limited production Blanco Granito and a classic Albariño under the Pazo das Bruxas label.

### WINE

Produced in DO Rías Baixas, the undisputed birthplace of Albariño. This classic expression of Albariño is characteristic of the Atlantic influenced maritime climate of Rías Baixas. The combination of fruit from temperate O'Rosal vineyards with slower to ripen parcels from Salnés provides optimal balance and high toned acidity. 100% Albariño.

### VINEYARDS

A portion of fruit comes from the Familia Torres Pazo Torre Penelas estate which is home to 6 HA of Albariño planted from 1985-2005 in the Val do Salnés region of Rías Baixas. Additional fruit is sourced predominately from the historic coastline of Salnés, blended with grapes from O'Rosal.

### VINTAGE NOTES

The year 2024 was notably wetter than average, with total rainfall reaching 30% above the historical norm. The year began with heavy rains, which surged by 50% during the ripening period but dropped to half the usual amount toward the end of the season.

### WINEMAKING

Fermentation in stainless steel under controlled temperature; 2 hours skin contact.

### TASTING NOTES

A luminous straw color with subtle golden highlights. The nose is elegant and inviting, revealing delicate notes of white flowers layered over a vibrant backdrop of pineapple, crisp apple, and zesty lemon. On the palate, it is refined and silky, offering a smooth, delicate texture balanced by a vibrant character and a touch of personality that leaves a lasting impression.

### VINEYARD

Region:	Galicia
Appellation:	Rías Baixas
Soil:	Granite
Eco-Practices:	sustainable, solar, regeneratively farmed
