

## EDGE Pro+ MULTI SURFACES MASKING TAPE

### DESCRIPTION

The EdgePro+ Masking tape provides a combination of special paper and adhesive. Its smooth, high quality Japanese washi paper assures less bleed-through and reduces the paint line demarcation. It's special adhesive provides a low initial tack yet will remain stuck to the surface and will peel cleanly without leaving residue. The EdgePro+ is designed for masking regular surfaces such as cured paint wall, glass, wood, trim and metal. This tape can be used in for "Faux-Finish" projects.

### APPLICATIONS

- The 314 masking tape provides a combination of premium green washi paper coated with a specially formulated water based acrylic adhesive offering medium adhesion level with a 21 day clean removal.
- Recommended for regular surfaces, cured painted surfaces, glass, wood trim and metal.

### TECHNICAL DATA

Colour .....	Green
Backing .....	Washi Paper
Adhesive.....	Water Based Acrylic - UV Inhibitor
Thickness.....	3.5 mil
Adhesion to steel.....	16 oz/in
Tensile strength.....	21 lb/in
Elongation.....	3%

### STOCK SIZE

314-24	24 mm x 55 m — 36 rolls/case
314-36	36 mm x 55 m — 24 rolls/case
314-48	48 mm x 55 m — 24 rolls/case

The above specification represents average values. Actual production can vary. This selection and application of a tape is the responsibility of the buyer. Tape should be stored at room temperature and should not be exposed to sunlight. We reserve the right to make changes, without notice, to our products and specifications.

#### Please note:

The technical characteristics quoted are averages only and may vary within industry tolerances.

The final user must assure product suitability for the application and assumes all risks and liabilities.

**MEDIUM ADHESION**

**LOW QUICK STICK**
