

Dahle 41534 Shredder

High Security Shredder

Sheet Capacity

CleanTEC® Air Filter

EvenFlow Lubricator

Milled Cylinders

SmartPower Management

German Engineered

Product Features

NSA/CSS 02-01 Approved for P-7 Shredding

-For safe destruction of top-secret documents

CleanTEC® Fine Dust Filtration

-Closed system collects up to 98% fine dust particles
-Provides cleaner, healthier work environment

Automatic EvenFlow Lubricator

-Provides continuous oil across the cutting cylinders
-Ensures peak shredding performance

Precision Milled Cutting Cylinders

-Ensures perfectly matched and aligned cylinders

SmartPower Energy Management

-Reduces energy consumption automatically
-Saves on electrical costs

Automatic Jam Protection

German Engineered for Reliability

NSA Tested Volume Rating: High

The DAHLE CleanTEC® 41534 is a high security shredder with an internal fine dust filter. It features a large 38 gallon waste bin, 12" feed opening, and shreds paper to security level P-7 standards. This shredder offers numerous safety and convenience features and is NSA approved for NSA/CSS Specification 02-01.

DAHLE CleanTEC®

Breathe easy while using the world's only shredder with a fine dust filter system. This integrated system permanently traps up to 98% of the fine dust, and provides a cleaner, healthier work environment.

AUTOMATIC OILER

Just like any fine-tuned machine, your shredder needs to be properly oiled to run at peak performance.

This DAHLE CleanTEC® is equipped with an EvenFlow Lubricator which provides slow, continuous oil across the entire cutting mechanism.

MILLED CYLINDERS

This shredder features solid cutting cylinders milled from a bar of German Solingen steel. They're perfectly aligned in an all-steel frame. The result is a machine with strength, power and the ability to handle all of your data destruction needs.

SMARTPOWER

This shredder automatically powers down after 30 minutes of inactivity. It will appeal to those interested in conserving energy as well as reducing electrical costs.

The CleanTEC® filter traps up to 98% of the fine dust and provides a healthier work environment.

The 1 gallon EvenFlow Lubricator provides continuous lubrication for peak performance.
